(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

DÉPÊCHES, ETC.

Extrait de la London Gazette Extraordinary du 21 octobre 1912.

Par le ROI.

PROCLAMATION.

GEORGE R. I.

CONSIDÉRANT que Nous sommes heureusement en paix avec tous les Souverains, Puissances et Etats : Et considérant qu'il existe malheureusement une guerre entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi des Bulgares ; entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi des Hellènes ; entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi du Montenegro ; et entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi de Servie et entre leurs divers sujets et autres qui habitent leurs pays, territoires ou possessions ;

Et considérant que Nous sommes en termes d'amitié et de rapports amicaux avec chacun de ces Etats, et avec leurs divers sujets et autres habitants de leurs pays, territoires ou possessions ;

Et considérant que grand nombre de Nos loyaux sujets sont domiciliés et font le commerce, et possèdent des propriétés et des établissements et jouissent de droits et de privilèges dans les possessions de chacun des dits Etats, lesquels sont protégés par la loi des traités existant entre Nous et chacun des dits Etats ;

Et considérant que, désirant conserver à Nos sujets les bienfaits de la paix dont ils jouissent heureusement aujourd'hui, mais que Nous sommes fermement disposé et déterminé à maintenir une stricte et impartiale neutralité dans le dit état de guerre, malheureusement, existant entre les dits Etats ;

A ces causes, Nous avons cru devoir, sur l'avis de Notre Conseil Privé, promulguer Notre présente Proclamation Royale ;

Et Nous recommandons et chargeons strictement par la présente tous Nos bien-aimés sujets de se conduire en conséquence, et d'observer une stricte neutralité dans et pendant la dite guerre, et de s'abstenir de violer ou enfreindre les lois ou statuts du royaume à cet égard, ou le droit des gens à propos de cette guerre, car ils répondront du contraire à leur péril ;

Et considérant que, par un certain statut fait et passé durant une session tenue dans les 33e et 34e années du règne de feu Sa Majesté la reine Victoria, intitulé : "Acte pour régler la conduite des sujets de Sa Majesté durant les hostilités entre Etats étrangers avec lesquels Sa Majesté est en paix" il est entre autres choses déclaré et statué comme suit :—

"Le présent acte s'applique à toutes les possessions de Sa Majesté, y compris les eaux territoriales adjacentes.

"*Enrôlement illégal.*

"Si une personne, étant sujet britannique, dans les limites ou en dehors des limites des possessions de Sa Majesté, accepter ou convient d'accepter, sans permis de Sa Majesté, une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un autre Etat étranger qui est en paix avec Sa Majesté, et mentionné dans le présent acte comme "pouvoir ami," ou si une personne étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger tel que susdit,—

> " (1.) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat, qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat, et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;
>
> " (2.) Si elle donne telles cautions et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garantir que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

" Si un navire est construit par un Etat étranger ou par son ordre pendant que cet Etat étranger est en guerre avec un pouvoir ami, ou est livré à cet Etat ou à son ordre, ou à une personne qui, à la connaissance du constructeur, est agent pour le dit Etat étranger, ou est payé par le dit Etat ou le dit agent, et est employé dans le service militaire ou maritime de cet Etat étranger, le navire, jusqu'à ce que le contraire soit prouvé, sera considéré comme ayant été construit pour être ainsi employé, et le constructeur du dit navire devra prouver qu'il ignorait que le navire était destiné à être ainsi employé dans le service militaire ou maritime du dit Etat étranger.

" Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté ;

" En ajoutant au nombre des canons, ou en changeant ceux qui sont à bord pour d'autres canons, ou en ajoutant aucun équipement de guerre, augmente, accroît ou fait augmenter ou accroître, ou est sciemment concernée dans l'accroissement ou l'augmentation de la force militaire d'un navire qui, à l'époque où il était dans les limites des possessions de Sa Majesté, était un navire au service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

> " Toute telle personne sera coupable d'offense, sous le présent acte, et sera passible d'amende ou d'emprisonnement, ou de l'une ou l'autre de ces peines,

à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

" Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

" Prépare ou organise une expédition navale ou militaire dirigée contre les possessions d'un pouvoir ami, les conséquences suivantes en résulteront :

"(1.) Toute personne engagée dans cette préparation ou organisation, y aidant, ou employée à titre quelconque dans cette expédition, sera coupable d'offense sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour par-devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

"(2.) Tous navires et leurs équipements, et toutes armes et munitions de guerre employées dans cette expédition ou en formant partie, seront confisqués au profit de Sa Majesté.

" Toute persone qui aide, favorise, conseille ou cause l'accomplissement d'une offense, sous le présent acte, sera passible d'être jugée et punie comme auteur du délit."

Et considérant que par le dit acte il est de plus statué que les navires construits, commissionnés, équipés ou expédiés en contravention au dit acte pourront être condamnés et confisqués par jugement de la Cour d'Amirauté ; et que si le Secrétaire d'Etat ou l'autorité exécutive sont convaincus qu'il y a cause raisonnable et probable de croire qu'un navire, dans les limites de Nos possessions a été construit ou est en voie de construction, commissionné ou équipé en contravention au dit acte, et qu'il doit être conduit en dehors des limites de ces possessions, ou qu'un navire est sur le point d'être expédié contrairement au dit acte, le dit Secrétaire d'Etat ou l'autorité exécutive auront le pouvoir d'émettre un mandat autorisant la saisie et la vente de ce navire et sa détention jusqu'à ce qu'il y ait eu légalement condamnation ou acquittement ; et considérant que certains pouvoirs de saisie et de détention sont conférés par le dit acte à certaines autorités locales ;

A ces causes, et afin qu'aucun de Nos sujets ne puisse se rendre passible à la légère des peines imposées par le dit statut, Nous commandons strictement par les présentes que nulle personne ou personnes quelconques ne commettent aucun acte ou ne fassent quoi que ce soit contrairement aux dispositions du dit statut, sous peine d'encourir les différentes peines imposées par le dit statut, et Notre grand déplaisir.

Et Nous avertissons et enjoignons de plus à tous Nos bien-aimés sujets, et à toutes les personnes quelconques qui ont droit à Notre protection, d'observer envers chacun des Etats susdits, leurs sujets et territoires, et envers tous les belligérants quelconques avec lesquels Nous sommes en paix, les devoirs de la neutralité, et de respecter, chez tous et chacun d'eux, l'exercice des droits de belligérants.

Et Nous avertissons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, que si quelqu'un d'entre eux se permet, au mépris de Notre présente Proclamation Royale, et à Notre grand déplaisir, de commettre quelques actes qui soient une dérogation à leurs devoirs comme sujets d'un souverain neutre dans une guerre entre d'autres Etats, ou une violation ou contravention du droit des gens à cet égard, toutes les personnes se rendant coupables de pareils actes, s'exposeront justement aux peines édictées par cette loi.

Et Nous donnons par le présent avis à tous Nos sujets et aux personnes qui ont droit à Notre protection qui pourront mal se conduire à cet égard, qu'ils le feront à leur péril et se mettront dans leur propre tort ; et qu'ils n'obtiendront aucune protection de Notre part contre les peines susdites.

Donné en Notre Cour au Château de Buckingham, le vingt-unième jour d'octobre de l'année de Notre-Seigneur mil neuf cent douze et en la troisième année de Notre Règne.

DIEU PROTÈGE LE ROI.

LE Très honorable Sir Edward Grey aux Lords Commissaires de l'Amirauté :*—

FOREIGN OFFICE,
18 octobre 1912.

MILORDS,

Sa Majesté, étant fermement résolue d'observer les devoirs de la neutralité durant la guerre actuelle entre la Turquie et la Bulgarie ; la Turquie et la Grèce ; la Turquie et le Montenegro ; et la Turquie et la Serbie ; et voulant, de plus, empêcher, autant que possible l'usage des havres, ports et côtes de Sa Majesté, et des eaux situées dans la juridiction territoriale de Sa Majesté, pour aider aux opérations de l'un ou de l'autre des belligérants, m'a chargé de communiquer à Vos Seigneuries, pour vous servir de guide, les règlements qui suivent, lesquels devront être traités et mis à exécution comme étant les ordres et instructions de Sa Majesté :—

1. Tant que durera la guerre actuelle, il est défendu à tous les navires de guerre de l'un ou de l'autre des belligérants de se servir d'aucun port ou rade du Royaume-Uni, de l'Ile de Man ou des Iles de la Manche ou d'aucune des colonies ou possessions ou dépendances étrangères de Sa Majesté, ni d'aucune des eaux soumises à la juridiction territoriale de la Couronne britannique, comme station ou lieu de rendez-vous, pour aucune fin guerrière, ou dans le but de se procurer des moyens ou des équipements de guerre ; et aucun navire de guerre de l'un ou de l'autre des belligérants n'aura à l'avenir la permission de faire voile ou de partir d'un port, d'une rade, ou des eaux soumises à la juridiction britannique, d'où quelque navire de l'autre belligérant (que ce soit un navire de guerre ou un navire marchand) sera préalablement parti, avant qu'il ne se soit écoulé au moins vingt-quatre heures depuis le départ du navire en dernier lieu mentionné, hors de la juridiction territoriale de Sa Majesté.

Règle 2. Si quelque navire de guerre de l'un ou l'autre belligérant se trouve actuellement dans tout tel port, rade ou eaux soumis à la juridiction territoriale de la Couronne britannique, ce navire quittera ce port, rade ou eaux, dans un délai de pas moins de vingt-quatre heures qui sera raisonnable, eu égard à toutes les circonstances et la condition de ce navire quant aux réparations, provisions ou choses nécessaires à la subsistance de son équipage ; et si après la date de la présente quelque navire de guerre de l'un ou l'autre belligérant entre dans tout tel port, rade, ou eaux soumises à la juridiction territoriale de la couronne britannique, ce navire sera invité à en partir et à reprendre la mer dans les vingt-quatre heures de son entrée dans tel port, rade, ou eaux, sauf dans le cas de mauvais temps, ou s'il a besoin de ce procurer des provisions ou autres choses nécessaires pour la subsistance de son équipage, ou de subir des réparations, et dans ces cas les autorités du port, ou du port le plus rapproché, selon le cas, exigeront qu'il reprenne la mer la plus tôt possible après l'expiration de cette période de vingt-quatre heures, sans lui permettre de se ravitailler au delà de ce qui pourra être nécessaire pour ses besoins immédiats ; et nul tel vaisseau auquel il aura été permis de rester dans les eaux britanniques pour y subir des réparations ne restera dans ce port, cette rade, ou ces eaux pendant plus de vingt-quatre heures après que les réparations nécessaires auront été terminées. Pourvu, néanmoins, que dans tous les cas où il se trouverait quelque vaisseau (que ce soit un navire de guerre ou un navire marchand) des dites parties belligérantes dans le même port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, il ne s'écoulera pas un intervalle de moins de vingt-quatre heures entre le départ d'aucun tel vaisseau (que ce soit un navire de guerre ou un navire marchand) de l'un des belligérants, et le départ subséquent d'un navire de guerre de l'autre belligérant ; et le temps par le présent limité pour le départ de ces navires de guerre, respectivement, sera toujours, en cas de nécessité, prolongé autant qu'il sera nécessaire pour donner effet au présent proviso, mais pas plus ni autrement.

---

* Semblables lettres au Trésor, Home Office, Bureau des Colonies, Bureau des Indes, Scottish Office, et la Chambre de Commerce.

Règle 3. Il ne sera permis à l'avenir à aucun navire de guerre de l'un ou l'autre des belligérants, tant qu'il sera dans un port, une rade, ou des eaux soumises à la juridiction territoriale de Sa Majesté, de se ravitailler, sauf de provisions et autres choses nécessaires à la subsistance de son équipage, et sauf de la quantité de charbon qui sera seulement nécessaire pour le conduire au port le plus rapproché de son propre pays, ou à quelque autre destination neutre plus rapprochée ; et il ne sera non plus fourni de charbon à aucun tel navire de guerre dans le même ou quelque autre port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, sans une permission spéciale, jusqu'à l'expiration de trois mois de la date à laquelle ce charbon lui aura été en dernier lieu fourni dans les eaux britanniques comme susdit.

Règle 4. Il est interdit aux navires armés de l'une ou l'autre partie d'amener les prises faites par eux dans les ports, havres, rades, ou eaux du Royaume-Uni, de l'Ile de Man, des Iles de la Manche, ou d'aucune des colonies ou possessions étrangères de Sa Majesté.

Le Gouverneur ou autre autorité exécutive de chacun des territoires ou possessions de Sa Majesté au delà des mers, publieront sans délai les règles ci-dessus.

J'ai l'honneur d'être, de Votre Altesse Royale,

LOI DES ENROLEMENTS À L'ÉTRANGER, 1870.

AVIS AUX CONSTRUCTEURS DE NAVIRES ET AUTRES.

RELATIVEMENT à la guerre qui sévit actuellement entre la Turquie et la Grèce, la Bulgarie, la Servie, et le Montenegro, on attire l'attention des constructeurs de navires et autres sur les dispositions de la Loi des enrôlements à l'étranger 1870 (33 et 34 Vic., chap. 90) articles 8, 9, et 23, qui indiquent leurs devoirs et leurs obligations au sujet de la construction et l'équipement de navires qui sont destinés à servir, ou qui pourraient servir, dans le service militaire ou naval des belligérants.

L'article 8 établit que si une personne, dans les limites des possessions de Sa Majesté, construit, délivre, commissionne, équipe, ou expédie un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire sera employé dans le service militaire ou naval des belligérants, sera passible d'une amende et de l'emprissonnement, et de la confiscation du navire et de son équipement.

Toute personne qui construit ou équipe un tel navire aux termes d'un contrat passé avant le commencement de la guerre, ne sera passible d'aucune d'une pénalités imposées par le présent article :—

(1) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

(2) Si elle donne telles cautions, et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garantir que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

Dans le cas où des propositions seraient faites pour l'achat ou l'équipement de ces navires par des personnes qui ne déclareraient pas d'une manière satisfaisante la destination de ces navires, il sera du devoir de ceux qui auront connaissance de ces faits d'en donner avis au Secrétaire d'Etat pour l'Intérieur afin qu'il puisse prendre les mesures qui sont autorisées par l'article 23 du dit acte, de manière à empêcher que ces vaisseaux ne soient employés en contravention au dit acte.

ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT A OTTAWA.

Vendredi, le 1er jour de novembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GENERAL EN CONSEIL.

Le Ministre de l'Intérieur fait rapport, le 14 octobre 1912, que des représentations ont été faites au Ministère de l'Intérieur comportant qu'en conséquence de certaine erreur quant au titre de la section 11, township 9, rang 26, à l'ouest du 4e méridien, les autorités de la ville de Macleod ont érigé des bâtiments coûteux et établi un système d'approvisionnement d'eau sur la partie de la section 11, township 9, rang 26, à l'ouest du 4e méridien, avoisinant la ville.

Lorsqu'il fut avisé de ce fait le Ministère de l'Intérieur eut d'abord l'intention de céder la section 11 en question et de choisir à sa place pour le fonds des écoles une autre section ayant autant que possible la même valeur, et à cette fin une inspection fut faite des terres fédérales disponibles dans cette partie de la province.

Toutefois, il fut impossible de trouver une section ayant à peu près la même valeur que la section 11 qui, vu le fait qu'elle est voisine de la ville de Macleod, a une valeur considérable. La question de l'échange ayant été soumise au gouvernement d'Alberta, ce gouvernement protesta énergiquement contre la concession de la section scolaire, à moins qu'une autre section de valeur égale fut choisie pour le fonds des écoles, et il suggéra que ce qu'il y avait de mieux à faire était d'offrir des terres en vente à l'enchère publique afin de donner aux autorités de la ville de Macleod l'occasion d'acheter cette section.

Cette suggestion ayant été approuvée par le Ministre une inspection du terrain requis par la ville de Macleod fut faite par le surintendant des terres des écoles, qui évalua le terrain à $175 l'acre et fit rapport que cette ville y avait érigé des bâtiments consistant en une usine hydraulique et un édifice d'exposition, et qu'elle a de plus installé des tuyaux d'alimentation, des tuyaux de prise d'eau et des conduites de distribution d'une valeur totale d'environ $197,000.

Le Ministre ajoute qu'il est d'avis qu'il serait de l'intérêt public que l'occasion soit donnée à la ville de Macleod d'acheter le terrain nécessaire en rapport avec les bâtiments susdits et le système d'approvisionnement d'eau établi par la ville.

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique à une date prochaine, dans la ville de Macleod, les terrains requis par la ville, indiqués en rouge sur le plan annexé, au prix de mise de $175 l'acre, les conditions de la vente devant être conformes aux dispositions de la *Loi des terres fédérales* sous ce rapport.

Le comité soumet cette demande pour approbation.

RODOLPHE BOUDREAU.
20-4 Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GENÉRAL EN CONSEIL.

Attendu qu'en vertu d'un arrêté général en conseil en 1886, dix acres de la section fractionnaire 23, township 29, rang 29A, à l'ouest du méridien principal, ont été gratuitement concédés à la Corporation Archiépiscopale Catholique Romaine de St-Boniface, pour les fins d'une église ;

Et attendu que la majeure partie du terrain concédé n'étant pas propre aux fins susdites, on a demandé une nouvelle concession de 10 acres couvrant un carré situé dans le coin sud-est de la dite section, cette dernière concession devant remplacer la première ;

Et attendu que la Couronne a repris possession des dix acres concédés et que le terrain demandé en remplacement est disponible pour les fins susdites,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'une église dix acres de terre compris dans le coin sud-est de la section fractionnaire 23, township 29, rang 29A, à l'ouest du méridien principal, et d'en autoriser la concession à la Corporation Archiépiscopale Catholique Romaine de St-Boniface, pour les fins susdites.

PRÉSENT :

SON EXCELLENCE LE SUPPLEANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre de l'Intérieur fait rapport, le 29 octobre 1912, que M. Walter Milburn a demandé d'acheter le lot n° 7 du bloc n° 6, d'après un plan de la subdivision de East Heights à Athabaska Landing dans la province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain antérieurement à l'arpentage.

Comme il a été prouvé que le requérant a fait des améliorations considérables sur ce terrain et y a résidé pendant plus de deux ans, le Ministre demande l'autorisation de vendre à M. Milburn, au prix nominal de $5.00, le dit lot coloré rose sur le plan annexé et couvrant un acre plus ou moins.

Le comité recommande que l'autorité nécessaire soit accordée.

RODOLPHE BOUDREAU,
20-4 Greffier du Conseil privé.

Vendredi, le 1er jour de novembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que M. Pierre Andrew, jeune, a demandé la concession gratuite du lot n° 53, dans l'établissement de Heart-River et Salt-Prairie, province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain et y résidait à la date de l'extinction du titre des Indiens ;

Et attendu que la preuve a été soumise au ministère de l'Intérieur que le requérant occupait ce terrain à la date de la conclusion du traité indien n° 8 à l'été de 1899, et cette preuve établissant que M. Andrews occupait bien le terrain en question à la date du traité ayant été jugée satisfaisante,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales*, d'autoriser par ces présentes la concession gratuite à M. Andrews du lot n° 53, dans l'établissement de Heart-River et Salt-Prairie, province d'Alberta ; ce terrain contenant 147.3 acres plus ou moins.

Mardi, le 22e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

Le Ministre suppléant de l'Intérieur représente, le 7 octobre 1912, que la compagnie dite "The Blue Mountains Refractories Company, Limited", de la ville de Vancouver, dans la province de la Colombie-Britannique, a demandé au Ministère de l'Intérieur la permission d'acheter la moitié ouest de la section 1, les sections 2 et 3 entières et les 55 chaînons de l'est de la moitié sud de la section 4, township 4, rang 4, à l'ouest du 7e méridien, dans la dite province, pour la fabrication de la brique et autres produits de l'argile. La compagnie demande aussi d'acheter le quart fractionnaire sud-ouest de la section 2, township 7, rang 26 à l'ouest du 6e méridien, couvrant une superficie de 144.75 acres, pour y construire un établissement de vernissage en rapport avec la fabrication des produits de l'argile ; aussi le droit de passage longeant et traversant les sections 32, 33 et 34, dans le township 3, rang 4, à l'ouest du 7e méridien, dans la dite province, conduisant à la rivière Lillooet, établissant une voie de communication entre cette rivière et le premier des terrains ci-dessus décrits.

Le Ministre représente qu'une inspection des terres demandées a été faite par l'agent des bois de la Couronne, à New Westminster, qui a fait rapport qu'elles contiennent très peu de bois de valeur marchande ; qu'il ne s'y trouve pas plus de bois qu'il est nécessaire pour les fins de l'industrie projetée ; et bien que les terres en question aient dans le passé été examinées par des prospecteurs forestiers, aucune demande de permis de coupe de bois n'a encore été faite. Il appert aussi que ces terrains sont très accidentés et de peu de valeur au point de vue agricole.

Les requérants ayant exprimé l'intention d'établir une industrie d'une certaine importance sur ces terrains, qui auraient autrement peu de valeur, le Ministre est d'avis qu'il serait de l'intérêt public d'accorder leur demande, et il demande l'autorisation de mettre en réserve pour les requérants les terrains qu'ils ont demandés et de les leur vendre pour les fins mentionnées au prix de $1.00 l'acre, pourvu qu'ils se conforment aux conditions suivantes :—

1. Les requérants construiront sur le premier des terrains ci-dessus décrits une briqueterie d'une production d'au moins 50,000 briques par semaine.

2. Cette briqueterie sera en fonctionnement et devra avoir produit au moins un million de briques dans la période de trois ans qui suivront la date de l'autorisation de la vente.

3. Dans les trois ans qui suivront la date de l'autorisation de la vente, les requérants construiront sur le quart fractionnaire sud-ouest de la section 2, township 7, rang 26, à l'ouest du 6e méridien, un établissement de vernissage d'une capacité et d'un modèle convenant aux fins proposées, à la satisfaction du Ministre de l'Intérieur, et commenceront l'exploitation de cet établissement dans la même période en y traitant les produit de l'argile.

4. Jusqu'à ce que les conditions ci-dessus aient été remplies et les lettres patentes des terrains en question accordées, les requérants rembourseront la Couronne de toute dépense qui pourra être encourue pour la protection du bois marchand dans le voisinage contre le danger d'incendie qui pourrait résulter de leur exploitation.

5. Dès que les requérants auront négligé de se conformer à une des conditions ici prévues la réserve des terres susdites cessera, la vente sera annulée et la Couronne confisquera les sommes qui auront été payées.

6. La mise en réserve et la vente seront subordonnées aux droits du gouvernement provincial de la Colombie-Britannique en ce qui concerne la découverte de minéraux dans ou sur ces terrains.

7. Dès que preuve satisfaisante aura été donnée que les conditions ci-dessus ont été parfaitement observées, que le prix d'achat de $1.00 l'acre a été payé et que le terrain a été arpenté les lettres patentes des terrains en

question seront accordées aux requérants, réserve étant faite des mines et minéraux, ainsi que de la houille qui pourraient être découverts dans ou sur ces terrains.

Le Ministre ajoute que les terrains ci-dessus décrits avaient été antérieurement concédés, à des conditions semblables à celles ici contenues, à un certain George H. Turner, par un arrêté en conseil daté le 27 mars 1908. M. Turner a payé au Ministère de l'Intérieur pour ces terrains la somme de $1.00 l'acre avant qu'il fut nécessaire de le faire d'après les dispositions du dit arrêté en conseil, et il demande au Ministère que le paiement qu'il a fait sur les terrains en question soit appliqué au compte du prix d'achat exigé des présents requérants.

En vue de ces faits, le Ministre demande aussi l'autorisation d'appliquer au paiement des terrains en question la somme payée par M. Turner à compte du prix d'achat.

Le comité soumet cette demande pour approbation.

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 16 septembre 1912, que la compagnie dite " The Ashcroft Water, Electric and Improvement Company", d'Ashcroft, C.-B., a demandé d'acheter aux conditions de vente des terres vendues pour l'irrigation certains terrains situés dans les townships 20 et 21, rang 24, à l'ouest du 6e méridien, couvrant une superficie totale de 3010.5 acres, plus ou moins, soit les terres énumérées dans le tableau annexé aux présentes et au rapport.

La compagnie a soumis au Département de l'Intérieur un vaste projet d'irrigation et d'endiguement, comprenant l'emmagasinage des eaux de trois lacs du territoire provincial, au nord de la zone des chemins de fer ; ces eaux seront déchargées dans la rivière Bonaparte et détournées à un point environ douze milles du confluent des rivières Bonaparte et Thompson, et transportées aux terres fédérales demandées par un canal d'élévation.

Les terres demandées ont été inspectées par l'agent des terres fédérales, à Kamloops, qui a fait rapport que sans irrigation, elles n'avaient aucune valeur ; elles ont aussi été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que ce sont des terres arides qui, sans irrigation, seraient impropres à la colonisation ou à l'agriculture. Le développement de ces terres serait très avantageux pour le district et le pays en général. La Ashcroft Water Electric & Improvement Company " a l'intention de développer ces terres arides par un vaste système d'irrigation moderne et pratique. Enfin, les eaux de la rivière Bonaparte semblent suffisantes pour les fins d'irrigation de la dite compagnie.

Par conséquent, le Ministre recommande qu'en vertu des rapports favorables précités il soit autorisé à vendre à la compagnie dite "The Ashcroft Water Electric & Improvement Company," aux conditions suivantes, les terres fédérales énumérées dans le tableau annexé :

1. Le prix du terrain sera de $1 l'acre. Un premier paiement de 25 cents sera fait lors de l'avis de vente, et la balance de 75 cents l'acre sera payable dès que seront terminés les travaux d'irrigation ainsi que prescrit par les articles " 5 " et " 6 " qui suivent.

2. La compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaire pour l'irrigation de ces terres.

3. L'emploi, la diversion et l'emmagasinage de l'eau ainsi que la construction et l'entretien des travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être conformes aux dispositions de la loi des exploitations hydrauliques de la Colombie-Britannique, 1909.

4. La compagnie construira, dans un délai de trois ans, à partir de la rivière Bonaparte, un système d'irrigation adéquat et satisfaisant pour les terres demandées.

5. Cinquante pour cent des parties irrigables des dites terres seront irriguées et mises en culture dans un délai de trois ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75c. l'acre.

6. Toutes les autres parties irrigables des dites terres seront irriguées et mises en culture dans un délai de cinq ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75 cents l'acre.

7. Les lettres patentes d'aucun de ces terrains ne seront accordées avant qu'ils aient été irrigués et mis en culture à la satisfaction du Ministre de l'Intérieur.

8. La part d'intérêt de la compagnie dans les dites terres fédérales ne pourra être transférée sans en aviser le Ministre de l'Intérieur et sans son consentement.

Le comité soumet cette recommandation pour approbation.

ATTENDU que par un arrêté en conseil daté le 5 janvier 1887 certaines terres dans le voisinage de Port Moody, en raison de leur valeur croissante, ont été soustraites de la vente et de la colonisation, cette réserve étant décrite minutieusement comme suit :—

" Commençant au rivage du bras nord de Burrard-Inlet à l'angle nord-ouest de la section 30, township 39, district de New-Westminster ; de là vers le sud le long des lignes de section jusqu'au coin sud-ouest du quart nord-ouest de la section 19 ; de là vers l'est le long des lignes de quart de section jusqu'au coin nord-est du quart sud-ouest de la section 22 ; de là à angle droit vers le sud jusqu'à la borne nord du lot 385, groupe 1 ; de là vers l'ouest le long de la dite ligne jusqu'au coin nord-ouest du dit lot 385 ; de là vers le sud le long des lignes de lots jusqu'au coin nord-est du lot 238, groupe 1 ; de là vers l'ouest le long des lignes

Et attendu que le 13 août 1906 l'inscription de homestead a été accordée à William Arthur Berlsford pour le quart fractionnaire nord-ouest de la section 10, township 39, à l'ouest du méridien de la côte, et que ce terrain fait partie de la réserve établie par le dit arrêté en conseil du 5 janvier 1887, et que ce colon s'est complètement acquitté des obligations d'établissement et a droit à ses lettres patentes ;

Par conséquent, il plaît au Gouverner général en conseil, afin d'enlever tout doute quant au titre en raison de cet arrêté en conseil, de rescinder par ces présentes les dispositions du dit arrêté en conseil en tant qu'elles s'appliquent au quart de section ci-dessus mentionné.

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 19e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu qu'une formule de contrat de stage entre un arpenteur fédéral et son élève et une formule de transfert de ce contrat d'un arpenteur à un autre sont annexées à la *Loi des arpentages fédéraux*, 7-8 Edouard VII, chapitre 21 ;

Et attendu que le bureau des examinateurs des arpenteurs fédéraux fait rapport que ces formules sont trop longues, que le nombre des blancs à remplir donne lieu à des erreurs fréquentes et qu'il a rédigé des formules contenant moins de blancs ;

Et attendu qu'il est aussi représenté par le bureau des examinateurs que les dites formules ne sont que pour les élèves mineurs, et que deux nouvelles formules sont nécessaires pour les élèves majeurs ;

Et attendu que le ministre de l'Intérieur a présenté ces quatre formules et a recommandé qu'elles soient approuvées ;

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 72 de la *Loi des terres fédérales*, ci-dessus mentionnée, d'approuver par ces présentes les dites quatre formules.

RODOLPHE BOUDREAU,
18-4 Greffier du Conseil privé.

Le Ministre suppléant de l'Intérieurre présente, le 8 octobre 1912, que M. Urbain Gladu a demandé la concession gratuite du lot n° 18, dans l'établissement de Flying Shot Lake, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des indiens.

La preuve a été faite que le requérant occupait ce terrain à la date de la conclusion du traité indien n° 8 à l'été de 1899 et, par conséquent, le ministre recommande qu'en vertu des dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales*, il soit autorisé à concéder gratuitement à M. Gladu le lot n° 18, dans l'établissement de Flying Shot Lake, contenant 58.8 acres plus ou moins.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre de l'Intérieur représente, le 15 octobre 1912, que M. W. E. Bailey, qui s'est inscrit le 26 septembre 1910, pour le homestead comprenant le quart nord-est de la section 18, township 32, rang 7, à l'ouest du 2e méridien, a souffert de blessures qui ont nécessité l'amputation près du corps de sa jambe gauche. Des certificats médicaux témoignant de ce fait, déposés au Ministère, déclarent qu'il serait extrêmement dangereux pour M. Bailey de demeurer sur son homestead.

Le Ministre ajoute que M. Bailey a résidé sur son homestead du mois de mai 1910 au mois de mai 1912, sauf le temps qu'il a passé à l'hôpital au cours de l'année 1911, et y a érigé une maison et une étable.

Le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales* il soit autorisé à exempter M. Bailey de toute autre obligation de résidence.

Le comité soumet cette recommandation pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..........................	$ 100 00

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée « partie défenderesse ».

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Sécrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

OTTAWA, THURSDAY, NOVEMBER 21, 1912.

DOMINION OF CANADA.

CHAMBER OF THE SENATE.

OTTAWA, Thursday, 21st November, 1912.

This day, at THREE o'clock p.m., HIS ROYAL HIGHNESS THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Royal Highness was pleased to command the attendance of the House of Commons, and that House being present, HIS ROYAL HIGHNESS was pleased to open the SECOND SESSION of the TWELFTH PARLIAMENT OF THE DOMINION OF CANADA with the following Speech :—

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

I have during the past summer spent several months in visiting the principal cities and towns of Canada from coast to coast, and have endeavoured to make myself as far as possible acquainted with the conditions prevailing.

It has been a source of the deepest satisfaction to me to see the almost universal prosperity which reigns throughout the Dominion, and to witness the energy and enterprise which are shown in developing the rich resources of the land.

PUISSANCE DU CANADA.

SALLE DU SÉNAT.

OTTAWA, jeudi, 21 novembre 1912.

Aujourd'hui, à TROIS heures p.m., SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat étant assemblés, il a plu à Son Altesse Royale d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, SON ALTESSE ROYALE a ouvert la DEUXIÈME SESSION du DOUZIÈME PARLEMENT DE LA PUISSANCE DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Au cours de l'été dernier, j'ai passé plusieurs mois à visiter les principales cités et villes du Canada d'un océan à l'autre, en m'efforçant de me rendre compte autant que possible de leur situation matérielle.

Il m'a été très agréable de constater la prospérité presque universelle qui règne par tout le Canada, et de voir l'énergie et l'esprit d'entreprise déployés dans l'œuvre du développement des immenses ressources de la terre.

It is most gratifying to observe that the trade of the Dominion is increasing rapidly and steadily, the aggregate trade for the last fiscal year being the largest on record. During the present year the same steady increase has been noted, and it is anticipated that the total volume of our trade for the present fiscal year will greatly surpass that of any previous year in our history.

The revenues of the Dominion continue to expand, and in every branch of business and industry there is a remarkable activity which gives assurance of continued progress and prosperity.

A copious and welcome stream of immigration has poured into our country during the past summer. The volume of immigration during the present year is greater than during any corresponding period of our history, and in larger measure than usual it has been drawn from the British Islands.

The labours of the husbandman have been blessed with an ample return ; and, although in some districts the weather has been unpropitious for the harvest, it is expected that the total value of our field crops will be greater than in any previous year.

Papers will be laid before you which embody trade arrangements that have been consummated between the Dominion and certain of His Majesty's possessions in the West Indies. It is hoped that these arrangements will prove of great advantage not only to those possessions, but to Canada as well. A Bill will be introduced for the purpose of carrying this agreement into effect.

During the past summer four members of my Government conferred in London with His Majesty's Government on the question of Naval Defence. Important discussions took place and conditions have been disclosed which in the opinion of my advisers render it imperative that the effective naval forces of the Empire should be strengthened without delay. My advisers are convinced that it is the duty of Canada at this juncture to afford reasonable and necessary aid for that purpose. A Bill will be introduced accordingly.

A contract for the construction of the Hudson Bay Railway from LePas to Port Nelson has been awarded and the work is being pushed forward with all possible speed.

It is abundantly evident that the highways of Canada constitute an important part of an efficient scheme of transportation. The necessity for improving our existing facilities in this regard is manifest and a Bill will be introduced for the purpose of enabling the Dominion to co-operate with the Provinces in the accomplishment of this most desirable purpose.

It is satisfactory to know that the proposal of my Government to co-operate with the governments of the various provinces in promoting the agricultural industry has met with hearty approval. The appropriations which were made last session in connection therewith have proved to be of marked benefit to the country. After a careful study of the whole question my advisers are convinced that co-operation with the provinces on well defined terms and conditions will achieve the best results along the lines of agricultural instruction. Any such policy to be effective must be continuous. Accord-

Il est très satisfaisant d'observer que le commerce du Canada augmente sûrement et avec rapidité, l'ensemble du commerce pour le dernier exercice fiscal étant le plus considérable que l'on ait encore vu. Durant l'année présente, la même augmentation continue s'est fait remarquer, et l'on s'attend à ce que le volume total de notre commerce, pour l'exercice fiscal courant, dépassera de beaucoup celui de toute autre année antérieure.

Les recettes du Canada continuent à se développer et l'on signale dans chaque branche des affaires et de l'industrie une grande activité qui promet la continuation du progrès et de la prospérité.

Un flot d'immigration considérable et bien vu de tous s'est déversé dans notre pays au cours de l'été dernier. Le volume de l'immigration durant l'année courante est plus fort que celui de toute période correspondante de notre histoire, et, plus que par le passé, il est venu des Iles britanniques.

D'abondantes moissons sont venues récompenser les travaux du laboureur, et bien que dans quelques districts la température n'ait pas été propice pour la récolte, l'on s'attend à ce que sa valeur totale soit plus élevée que dans toute autre année antérieure.

On mettra entre vos mains les documents contenant les accords commerciaux conclus entre le Canada et certaines possessions de Sa Majesté aux Indes Occidentales. On espère que ces arrangements tourneront à l'avantage, non seulement de ces possessions, mais aussi à celui du Canada. Un projet de loi sera présenté à l'effet de mettre en vigueur ces accords commerciaux.

Durant l'été dernier, quatre membres du gouvernement sont entrés en pourparlers à Londres avec le gouvernement de Sa Majesté sur la question de la défense navale. Il s'en est suivi d'importantes délibérations et l'on a fait connaître un état de choses qui, dans l'opinion de mes conseillers, exige impérieusement que l'effectif des forces navales de l'empire soit renforcé sans délai. Mes conseillers sont persuadés qu'il est du devoir du Canada d'offrir, dans les circonstances actuelles, une aide raisonnable et nécessaire à cette fin. Un projet de loi vous sera présenté, conformément à cette décision.

Un contrat pour la construction du chemin de fer de la Baie d'Hudson depuis LePas au Port Nelson a été conclu et les travaux se font avec toute la rapidité possible.

Il est de toute évidence que les grandes routes du Canada constituent une partie importante d'un système efficace de transport. L'urgence d'améliorer nos routes actuelles est manifeste et un projet de loi sera présenté à l'effet de permettre au gouvernement du Canada de coopérer avec les provinces à l'accomplissement de ce projet si désirable.

Je suis heureux de savoir que la proposition faite par mon gouvernement de coopérer avec les gouvernements des différentes provinces dans l'œuvre de promouvoir l'industrie agricole a été cordialement accueillie. Les crédits qui ont été votés à la dernière session relativement à ce service ont produit des résultats avantageux marqués pour le pays. Après une étude sérieuse de toute la question, mes conseillers en sont arrivés à la conclusion qu'une coopération avec les provinces sur des bases et des conditions bien définies produira les meilleurs résultats relativement à l'enseignement agricole.

ingly, a Bill will be introduced by which a substantial amount of money will be set apart from the Consolidated Revenue Fund for the purpose of assisting the provinces for a term of years in this highly important national work.

My Government has succeeded in securing certain reductions in cable rates and will continue its efforts to obtain still further reductions.

Under existing legislation the charters of the Banks will expire on the 1st day of July next. A Bill revising and extending these charters will be submitted for your consideration and approval.

Several other Bills will be submitted, including measures providing for increased representation of the Provinces of Alberta, Saskatchewan and Manitoba in the Senate.

Gentlemen of the House of Commons:

The accounts for the last fiscal year will be laid before you. It will be satisfactory to you to learn that the revenue has been ample to cover both ordinary and capital expenditure.

The estimates for the next fiscal year will be submitted at an early date. They have been prepared with due regard on the one hand for economy, and on the other hand for the necessary development of the resources of the Dominion.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I invite your earnest consideration of the subjects to which I have alluded and I invoke the blessings of Divine Providence upon your deliberations.

Pour être efficace une telle politique doit être continue. Un projet de loi vous sera donc présenté en vertu duquel un montant considérable d'argent pris du fonds des recettes consolidées, sera affecté à aider les provinces, durant plusieurs années, dans cette entreprise nationale de la plus haute importance.

Mon gouvernement a réussi à obtenir certaines diminutions dans les taux des cablogrammes et continuera ses efforts pour en obtenir de nouvelles.

En vertu de la loi actuelle, les chartes des banques prendront fin le premier juillet prochain. Un projet de loi à l'effet de reviser et de prolonger ces chartes sera soumis à votre étude et à votre approbation.

Plusieurs autres projets de loi vous seront soumis, parmi lesquels se trouveront des mesures pourvoyant à l'augmentation de la représentation au Sénat des provinces de l'Alberta, de la Saskatchewan et du Manitoba.

Messieurs de la Chambre des Communes:

Les comptes publics pour le dernier exercice fiscal vous seront soumis. Vous apprendrez avec satisfaction que les recettes ont été amplement suffisantes pour couvrir les dépenses ordinaires et celles au compte du capital.

Les estimations budgétaires pour le prochain exercice fiscal vous seront soumises prochainement. Elles ont été préparées au double point de vue de l'économie et du développement nécessaire des ressources du Canada.

CHAMBER OF THE SENATE.

Ottawa, Thursday, 21st November, 1912.

This day, at Three o'clock p.m., His Royal Highness the Governor General proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Royal Highness was pleased to command the attendance of the House of Commons, and that House being present, His Royal Highness was pleased to open the Second Session of the Twelfth Parliament of the Dominion of Canada with the following Speech:—

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I have during the past summer spent several months in visiting the principal cities and towns of Canada from coast to coast, and have endeavoured to make myself as far as possible acquainted with the conditions prevailing.

It has been a source of the deepest satisfaction to me to see the almost universal prosperity which reigns throughout the Dominion, and to witness the energy and enterprise which are shown in developing the rich resources of the land.

It is most gratifying to observe that the trade of the Dominion is increasing rapidly and steadily, the aggregate trade for the last fiscal year being the largest on record. During the present year the same steady increase has been noted, and it is anticipated that the total volume of our trade for the present fiscal year will greatly surpass that of any previous year in our history.

The revenues of the Dominion continue to expand, and in every branch of business and industry there is a remarkable activity which gives assurance of continued progress and prosperity.

A copious and welcome stream of immigration has poured into our country during the past summer. The volume of immigration during the present year is greater than during any corresponding period of our history, and in larger measure than usual it has been drawn from the British Islands.

The labours of the husbandman have been blessed with an ample return; and, although in some districts the weather has been unpropitious for the harvest, it is expected that the total value of our field crops will be greater than in any previous year.

Papers will be laid before you which embody trade arrangements that have been consummated between the Dominion and certain of His Majesty's possessions in the West Indies. It is hoped that these arrangements will prove of great advantage not only to those possessions, but to Canada as well. A Bill will be introduced for the purpose of carrying this agreement into effect.

During the past summer four members of my Government conferred in London with His Majesty's Government on the question of Naval Defence. Important discussions took place and conditions have been disclosed which in the opinion of my advisers render it imperative that the effective naval forces of the Empire should be strengthened without delay. My advisers are convinced that it is the duty of Canada at this juncture to afford reasonable and necessary aid for that purpose. A Bill will be introduced accordingly.

A contract for the construction of the Hudson Bay Railway from LePas to Port Nelson has been awarded and the work is being pushed forward with all possible speed.

It is abundantly evident that the highways of Canada constitute an important part of an efficient scheme of transportation. The necessity for improving our existing facilities in this regard is manifest and a Bill will be introduced for the purpose of enabling the Dominion to co-operate with the Provinces in the accomplishment of this most desirable purpose.

It is satisfactory to know that the proposal of my Government to co-operate with the governments of the various provinces in promoting the agricultural industry has met with hearty approval. The appropriations which were made last session in connection therewith have proved to be of marked benefit to the country. After a careful study of the whole question my advisers are convinced that co-operation with the provinces on well defined terms and conditions will achieve the best results along the lines of agricultural instruction. Any such policy to be effective must be continuous. Accordingly, a Bill will be introduced by which a substantial amount of money will be set apart from the Consolidated Revenue Fund for the purpose of assisting the provinces for a term of years in this highly important national work.

My Government has succeeded in securing certain reductions in cable rates and will continue its efforts to obtain still further reductions.

Under existing legislation the charters of the Banks will expire on the 1st day of July next. A Bill revising and extending these charters will be submitted for your consideration and approval.

Several other Bills will be submitted, including measures providing for increased representation of the Provinces of Alberta, Saskatchewan and Manitoba in the Senate.

Gentlemen of the House of Commons:

The accounts for the last fiscal year will be laid before you. It will be satisfactory to you to learn that the revenue has been ample to cover both ordinary and capital expenditure.

The estimates for the next fiscal year will be submitted at an early date. They have been prepared with due regard on the one hand for economy, and on the other hand for the necessary development of the resources of the Dominion.

Honourable Gentlemen of the Senate:
Gentlemen of the House of Commons:

I invite your earnest consideration of the subjects to which I have alluded and I invoke the blessings of Divine Providence upon your deliberations.

Given at Our Court at *Buckingham*, this twenty-first day of October, in the year of Our Lord one thousand nine hundred and twelve, and in the Third year of Our reign.

GOD save the KING.

THE Right Honourable Sir Edward Grey to the Lords Commissioners of the Admiralty* :—

Foreign Office,
October 18, 1912.

My Lords,

His Majesty being fully determined to observe the duties of neutrality during the existing state of war between Turkey and Bulgaria ; Turkey and Greece ; Turkey and Montenegro ; and Turkey and Servia ; being, moreover, resolved to prevent, as far as possible, the use of His Majesty's harbours, ports, and coasts, and the waters within His Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commanded me to communicate to your Lordships, for your guidance, the following Rules, which are to be treated and enforced as His Majesty's orders and directions :—

Rule 1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of His Majesty's Colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station or place of resort for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment ; and no ship of war of either belligerent shall hereafter be permitted to leave any such port, roadstead, or waters from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of His Majesty.

Rule 2. If there is now in any such port, roadstead, or waters subject to the territorial jurisdiction of the British Crown any ship of war of either belligerent, such ship of war shall leave such port, roadstead, or waters within such time not less than twenty-four hours as shall be reasonable, having regard to all the circumstances and the condition of such ship as to repairs, provisions, or things necessary for the subsistence of her crew ; and if after the date hereof any ship of war of either belligerent shall enter any such port, roadstead, or waters, subject to the territorial jurisdiction of the British Crown, such ship shall depart and put to sea within twenty-four hours after her entrance into any such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs ; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use ; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessels (whether ships of war or merchant ships) of both the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of His Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether a ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent ; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

Rule 3. No ship of war of either belligerent shall hereafter be permitted, while in any such port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer named neutral destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

Rule 4. Armed ships of either belligerent are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of His Majesty's Colonies or possessions abroad.

The Governor or other chief authority of each of His Majesty's territories or possessions beyond the seas shall forthwith notify and publish the above Rules.

Notice to Shipbuilders and others.

WITH reference to the war now in progress between Turkey and Greece, Bulgaria, Servia and Montenegro, the attention of shipbuilders and others is called to the provisions of the Foreign Enlistment Act, 1870 (33 and 34 Vict., cap. 90), sections 8, 9, and 23, which indicate their duties and liabilities in the matter of building and equipping ships which are intended to, or may, be used in the military or naval service of belligerents.

Section 8 provides that any person within His Majesty's Dominions who without Royal License builds, commissions, equips, or despatches any ship with intent or knowledge or having reasonable cause to believe that the same will be employed in the military or naval service of the belligerents, shall be liable to fine and imprisonment and the forfeiture of the ship and equipment.

ORDERS IN COUNCIL.

[3067]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 29th October, 1912, that there is considerable demand in the vicinity of the Riding Mountain Forest Reserve for the cutting of birch and poplar timber, for use as fuel and in manufactures, and that he has had an examination made of a suitable tract of such timber on the north-east quarter of Section 36, Township 19, Range 16, west of the Principal Meridian, and finds that there are approximately 660 cords of birch and poplar timber thereon, which is mature and in part affected by a fungus which makes its utilization in the near future desirable.

The Minister states that he has had a valuation made of the said timber, and the value is estimated to be 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Minister, therefore, recommends that, under the authority of section 17 of the Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to dispose, subject to the regulations relating to forest reserves, of the timber on the said quarter section by public tender at upset prices of 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Committee advise that the requisite authority be granted.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 9th day of November, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 6th November, 1912, that an application has been made to have put up for sale a tract of timber located on the southwest quarter of Section 3 and the southeast quarter of fractional Section 4, Township 8, Range 30, west of the third Meridian, and the southeast quarter of Section 1, Township 8, Range 1, west of the fourth Meridian, which land is within the Cypress Hills Forest Reserve.

The Minister states that he has had an examination made of the said land and finds that there are approximately 218,000 feet board measure of spruce timber, which is estimated to have a value of $1.50 per thousand feet. It has been reported to the Minister that there is great demand from settlers in the vicinity of the forest reserve for the lumber which may be manufactured from this timber, and that the cutting of the most mature trees will benefit the young growing trees of which there are a large number.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said land by public competition at an upset price of $1.50 per thousand feet, board measure, subject to the regulations for Forest Reserves.

The Committee submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL

HIS Royal Highness the Governor General in Council is pleased to order as follows:

The Order in Council of the 14th October, 1912, establishing, under the 23rd section of chapter 24, of the Revised Statutes of Canada, 1906, "An Act respecting the Public Revenue and raising of loans authorized by Parliament and the Auditing of Public Accounts", Electrical Districts in connection with the administration of the "Electricity Inspection Act", 1907, is hereby amended by establishing and constituting, in addition to the Electrical Districts therein, the Province of Prince Edward Island as an Electrical District under the name of The District of Charlottetown.

RODOLPHE BOUDREAU,
21–3 Clerk of the Privy Council.

[3086]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 6th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 25th October, 1912, that an application has been made by the Brazeau Collieries, Limited, to have put up for sale two blocks of timber situated on the following described tracts of land in Township 40, Range 15, west of the 5th meridian ;

Block A—North half Section 6 : Sections 7, 8, 17, 18, 19, 20 south half 29.

Block B—North half Sections 13 and 14 ; Sections 23, 24, 25 south half 26.

The Minister further submits that he has had an examination made of the said land and finds that there are approximately 4,500,000 feet board measure of timber suitable for manufacture into lumber, and 9,700,000 lineal feet of mine props, and that the stand of timber, including the trees of smaller diameter, is even aged at about 240 to 280 years, is over mature, and is being attacked by insects, so that it is deteriorating in value, and it is desirable that it be cut, in order that the young trees on the tract may develop. A valuation was made of the said timber, and it is estimated that the timber has a value of at least $1.50 per thousand feet board measure, and the cordwood of twenty-five cents per cord ;

That the district in which this tract of timber is located is one in which there are large deposits of coal which are now being developed and for which timber will be required ;

The Minister, therefore, recommends that under the authority of sub-section (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the above described tracts of land by public auction at an upset price of $1.50 per thousand feet board measure for timber, subject to the regulations relating to Forest Reserves, and subject to the following conditions and such others not inconsistent therewith as the Minister may consider necessary :—

(1) That the person to whom the tract is awarded shall immediately deposit in cash the sum of five hundred dollars as security for the execution of the license to be granted to him and the fulfilment of the conditions thereof, which sum shall be forfeited for failure to execute the license or to fulfil the conditions thereof and shall be applied in payment of dues on the completion of the contract, and shall also before the execution of the license furnish bonds for an additional sum of five hundred dollars as security for the fulfilment of the contract ;

(2) That the purchaser shall furnish returns quarterly or at such times as may be designated by the Minister of the operations on the tract and the dues on the timber cut shall become due on the date fixed for the submission of such returns ;

(3) That the dues for mining props shall be computed on the basis of one lineal foot of a mining prop being equivalent to one and two-thirds feet board measure. The dues for cordwood shall be twenty-five cents per cord.

(4) That no trees shall be cut which are designated by the forest officer as being required to ensure the reproduction of the timber, the protection of the watershed or any other beneficial public service ;

(5) That the purchaser will take out all material that is merchantable from the timber cut, and shall not cause any unnecessary waste of timber ;

(6) That no unnecessary damage will be caused to the young growth or to any trees that are designated as not to be cut ;

(7) That the debris of logging operations will be piled and burned or otherwise disposed of in accordance with the instructions of the forest officer ;

(8) That the purchaser will take all necessary precautions to prevent the starting or spread of fire from his operations ;

(9) That for fighting fire in the vicinity of or threatening the tract, the purchaser will give free of charge the assistance of the men employed by him ;

(10) That the rights granted shall terminate at the expiration of eight years from the date of the sale of the tract.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

And whereas the land in question is available for the purpose, and the Minister of the Interior is of opinion that the application should receive favourable consideration,—

Therefore the Governor General in Council, under the provisions of subsection (*d*) of section 76 of The Dominion Lands Act, is pleased to appropriate and set apart for cemetery purposes, 6.25 acres of land comprised in the south-west corner of the S. ½ of Fractional Section 1, Township 27A, Range 13A, west of the 2nd Meridian, and is further pleased to authorize and doth hereby authorize a grant thereof to the trustees of the Swedish Evangelical Lutheran Bethel Church, of Kelliher, in the Province of Saskatchewan, for the said purposes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that an application has been made to the Department of the Interior to have the timber on the east half of Section 33 and the west half of Section 34, Township 8, Range 4, west of the fifth Meridian, situated in the Rocky Mountains Forest Reserve, put up for sale and that he has had an examination made of the said land and finds that there are approximately 7,000,000 feet, board measure, of timber of which nearly two-thirds was killed by fire in 1910, and if left uncut for a much longer period, will become of little value.

The Minister states that he has had a valuation made of the said timber and it is estimated that the green timber, which is of very good quality, has a value of $2 per thousand feet board measure and that the dry timber, which had deteriorated considerably in value since the fire, has a value of $1 per thousand feet board measure.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said section by public competition at upset prices per thousand feet board measure of $2 for green timber and $1 for dry timber, subject to the regulations relating to Forest Reserves.

The Committee submit the same for approval.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that a portable saw-mill permit was issued on the 11th of October, 1910, to Mr. G. R. Pelletier, giving him the right to cut timber on Berth 1711, which comprises the west ½ of Section 27 and the east half of Section 28, Township 8, Range 4, west of the Fifth Meridian, in the Crowsnest Division of the Rocky MountainsForet Reserve.

The Minister states that a renewal permit was issued extending the right to cut timber on this berth to the 11th of October, 1912, but no further renewal can be granted under the ordinary regulations. Mr. Pelletier has, however, applied for a renewal since there is a portion of the timber on the berth remaining uncut. Mr. Pelletier was unfortunate in having his mill destroyed by fire in January, so that his operations were considerably delayed. The timber on the berth is either fire-killed or over-mature, and it appears advisable that the cutting be allowed to continue.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said George R. Pelletier to cut timber on the said timber berth, No. 1711, subject to the payment of dues and to the restrictions for the conduct of the operations prescribed in connection with the original permit issued on the 11th of October, 1910, and also subject to the general regulations relating to forest reserves.

The Committee submit the same for approval.

The Minister, therefore, recommends that under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant of 160 acres of Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, be authorized to Mr. Eauclaire, and that he be permitted to purchase the excess area of 100 acres at the rate of $3.00 an acre.

[3078]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 14th October, 1912, it is represented to the Department of the Interior that, owing apparently to some mis-apprehension as to the title to Section 11, in Township 9, Range 26, West of the 4th Meridian, the authorities of the Town of Macleod have erected expensive buildings and established a Water System on the portion of Section 11, Township 9, Range 26 West of the 4th Meridian, adjoining that Town ;

That upon the Department of the Interior being informed of this, it was at first proposed to surrender Section 11 in question, and to select in lieu for the School Lands Endowment another section of as nearly as possible the same value, and an inspection was made for that purpose of the undisposed of and available Dominion Lands in that part of the Province ;

That it was impossible, however, to find a section of anything like the same value as Section 11, which, owing to the fact that it is adjacent to the Town of Macleod, has a considerable value, and upon the question of an exchange being submitted to the Government of Alberta, that Government entered a strong protest against the proposed surrender of the School Section being carried out unless another section of equal value could be selected in lieu of it for the School Lands Endowment, and suggested that the best course would be to offer this land at public auction so as to afford the authorities of Macleod an opportunity of acquiring it.

As the Minister concurs in this suggestion, an inspection was ordered of the land required by the Town of Macleod, such inspection being made by the superintendent of school lands, who valued the land at $175 per acre, and reported that the Town of Macleod has constructed on the land inspected by him buildings consisting of a power house and exhibition building, and has also established water standpipes, water intake pipes, and distributing water mains of a total value of approximately $197,000.

The Minister observes that he is of the opinion that it is in the public interest that the Town of Macleod should be given an opportunity of acquiring the land necessary in connection with the buildings and water system established by the Town.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction at an early date at the Town of Macleod the parcels of land required by the Town, and which are shown, coloured red, on the plan herewith, at an upset price of $175 per acre, the terms and conditions of sale to be in accordance with the provisions of The Dominion Lands Act in that regard.

The Committee submit the same for approval.

And whereas these lands have been examined by an officer of the Department of the Interior, and a report made to the effect that they are no longer required for the purpose for which they were set aside,—

And whereas through a misunderstanding, the parcel of land so granted was described as above ;

And whereas it has since been found that the parcel, by actual survey, does not correspond with that actually granted ;

[2868]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 22nd day of October, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date the 7th October, 1912, states that application has been made to the Department of the Interior by the Blue Mountains Refractories Company, Limited, of the City of Vancouver in the Province of British Columbia, for permission to purchase the West half of Section 1, the whole of Sections 2 and 3 and the easterly fifty-five chains of the South half of Section 4, in Township 4, Range 4 west of the 7th Meridian, in the said Province, for the purpose of manufacturing brick and other products of clay ; also for permission to acquire the fractional South West quarter of Section 2, Township 7, Range 26 West of the 6th Meridian, containing an area of 144.75 acres, upon which to erect a glazing plant in connection with the manufacture of the clay products ; together with a right of way along and through Sections 32, 33 and 34, in Township 3, Range 4 West of the 7th Meridian, in the said Province, leading down to the Lillooet River, for the purpose of communication between that river and the tract first above described.

The Minister observes that an inspection of the lands applied for has been made by the Crown Timber Agent at New Westminster, who reported that they contain very little merchantable timber ; that such timber as there is on the land is not more than would be required to carry on the business which it is proposed to establish ; and that while the lands in question have in the past been examined by timber cruisers, no applications have been made for licenses to cut timber thereon. It would appear also that the lands are precipitous and of little value for agricultural purposes.

The Minister is of the opinion—as the applicants express their willingness to establish an industry of some magnitude on these lands, which would otherwise seem to be of little value—that it would be in the public interest to favourably consider such application, and he recommends that he be authorized to reserve for the applicants the lands for which they have applied and to dispose of the same to them for the purpose mentioned at the rate of $1.00 an acre, upon their complying with the following conditions :—

1. That the applicants shall erect upon the property first above described a plant of a capacity of at least fifty thousand bricks per week ;

2. That such plant shall be in operation, and shall have actually produced not less than one million bricks, within three years from the date upon which the sale may be authorized ;

3. The applicants shall, within three years from the date upon which the sale may be authorized, erect upon the fractional south-west quarter of Section 2, Township 7, range 26 west of the 6th Meridian, a glazing plant of a capacity and design suitable for the purpose and satisfactory to the Minister of the Interior, and shall commence actual operations in treating the clay products in such plant within the same period ;

4. That until the above conditions have been complied with, and the patent for the lands in question issued, the applicants shall pay to the Crown the cost which may be incurred in properly guarding the merchantable timber in the vicinity from fire which may result from their operations ;

5. That failure on the part of the applicants to comply with any of the conditions herein contained shall be followed by cancellation of the reservation and sale, and the forfeiture to the Crown of the amounts which may have been paid ;

6. That the reservation and sale shall be subject to the rights of the Provincial Government of British Columbia in respect of the minerals which may be found to exist on or under the land ;

7. That as soon as satisfactory evidence is furnished to show that the conditions herein contained have been fully complied with, the purchase price at the rate of $1.00 an acre paid, and the land surveyed, a patent be issued in favour of the applicants for the lands in question, reserving thereout and therefrom the mines and minerals and also the coal which may be found to exist on or under the land.

The Minister further states that the lands above described were previously allotted, under similar conditions to those herein contained, to one George H. Turner, by authority of an Order in Council dated the 27th of March, 1908 ; that Mr. Turner paid to the Department of the Interior the sum of $1.00 per acre for the said lands before it was necessary for him to do so in accordance with the terms of the above Order in Council, and that Mr. Turner has requested the Department to allow the payment made by him for the lands in question to be applied on account of the purchase price by the present applicants.

The Minister, in view of all the circumstances, further recommends that he be authorized to apply to the payment of the lands in question the amount paid by Mr. Turner on account of such purchase price.

The Committee submit the same for approval.

Clerk of the Privy Council.

[2926]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 24th day of October, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 16th September, 1912, that the Ashcroft Water Electric and Improvement Company, of Ashcroft, B.C., has applied to purchase on irrigation conditions certain lands in Townships 20 and 21, Range 24, west of the Sixth Meridian, comprising an aggregate area of 3010·5 acres, more or less, and being the lands set out in the schedule hereto attached, and to report;

That the company has submitted to the Department of the Interior a comprehensive irrigation and storage project, involving the storage of water in three lakes in provincial territory, north of the railway belt; the said water to be released in to the Bonaparte River and diverted at a point about twelve miles from the confluence of the Bonaparte and Thompson Rivers, and carried in a high line canal to the Dominion lands applied for;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that without the aid of irrigation the lands are valueless; that they have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that they are of an arid class, unsuited for homesteading or for agriculture without irrigation; that the successful development of these lands would be in the best interest of the district and country at large; that the intention of the Ashcroft Water Electric and Improvement Company is to develop these arid lands by a large, modern and feasible irrigation system; and, that the water supply of the Bonaparte River seems to be sufficient for the irrigation needs of the said company.

The Minister therefore, recommends that, in view of the above favourable reports, he be authorized to sell the Ashcroft Water Electric and Improvement Company the available portions of the Dominion lands set out in the schedule hereto attached, on the following conditions:—

1. That the price of the land be $1.00 per acre; a first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre to be payable upon the completion of the irrigation scheme as set out in paragraphs "5" and "6" hereunder.
2. That the Company shall obtain from the British Columbia Authorities the necessary water rights for the said lands.
3. That the use, diversion and storing of water; the construction and maintenance of all irrigation works, dams, intakes, flumes, ditches, etc., shall be in accordance with the provisions of the British Columbia Water Act, 1909.
4. That the company shall construct an adequate and satisfactory irrigation system for the lands applied for, from the Bonaparte River, within three years.
5. That 50% of the irrigable portions of the said lands shall be irrigated and cultivated within three years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.
6. That all the remaining irrigable portions of the said lands shall be irrigated and cultivated within five years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.
7. That no patent shall issue for any of the lands except upon their successful irrigation and cultivation, to the satisfaction of the Minister of the Interior.
8. That the company's interest in the said Dominion lands shall not be transferred except with the knowledge and consent of the Minister of the Interior.

The Committee submit the same for approval.

Clerk of the Privy Council.

RULES RELATIVE TO PETITIONS AND PRIVATE BILLS.

Petitions for Private Bills.

88. Petitions for Private Bills shall only be received by the House if presented within the first six weeks of the session, and every Private Bill shall be presented to the House within two weeks after the petition therefor has been favourably reported upon by the Examiner or by the Committee on Standing Orders, and no motion for the suspension of this Rule shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension and giving their reasons therefor.

97. That it be an instruction to all Committees on Private Bills, in the event of promoters not being ready to proceed with their measures when the same have been twice called on two separate occasions for consideration by the Committee, that such measures shall be reported back to the House forthwith, together with a statement of the facts and with the recommendation that such Bills be withdrawn.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act*, 1893.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

SALLE DU SÉNAT.

OTTAWA, jeudi, 21 novembre 1912.

Aujourd'hui, à TROIS heures p.m., SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat étant assemblés, il a plu à Son Altesse Royale d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, SON ALTESSE ROYALE a ouvert la DEUXIÈME SESSION du DOUZIÈME PARLEMENT DE LA PUISSANCE DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Au cours de l'été dernier, j'ai passé plusieurs mois à visiter les principales cités et villes du Canada d'un océan à l'autre, en m'efforçant de me rendre compte autant que possible de leur situation matérielle.

Il m'a été très agréable de constater la prospérité presque universelle qui règne par tout le Canada, et de voir l'énergie et l'esprit d'entreprise déployés dans l'œuvre du développement des immenses ressources de la terre.

Il est très satisfaisant d'observer que le commerce du Canada augmente sûrement et avec rapidité, l'ensemble du commerce pour le dernier exercice fiscal étant le plus considérable que l'on ait encore vu. Durant l'année présente, la même augmentation continue s'est fait remarquer, et l'on s'attend à ce que le volume total de notre commerce, pour l'exercice fiscal courant, dépassera de beaucoup celui de toute autre année antérieure.

Les recettes du Canada continuent à se développer et l'on signale dans chaque branche des affaires et de l'industrie une grande activité qui promet la continuation du progrès et de la prospérité.

Un flot d'immigration considérable et bien vu de tous s'est déversé dans notre pays au cours de l'été dernier. Le volume de l'immigration durant l'année courante est plus fort que celui de toute période correspondante de notre histoire, et, plus que par le passé, il est venu des Iles britanniques.

D'abondantes moissons sont venues récompenser les travaux du laboureur, et bien que dans quelques districts la température n'ait pas été propice pour la récolte, l'on s'attend à ce que sa valeur totale soit plus élevée que dans toute autre année antérieure.

On mettra entre vos mains les documents contenant les accords commerciaux conclus entre le Canada et certaines possessions de Sa Majesté aux Indes Occidentales. On espère que ces arrangements tourneront à l'avantage, non seulement de ces possessions, mais aussi à celui du Canada. Un projet de loi sera présenté à l'effet de mettre en vigueur ces accords commerciaux.

Durant l'été dernier, quatre membres du gouvernement sont entrés en pourparlers à Londres avec le gouvernement de Sa Majesté sur la question de la défense navale. Il s'en est suivi d'importantes délibérations et l'on a fait connaître un état de choses qui, dans l'opinion de mes conseillers, exige impérieusement que l'effectif des forces navales de l'empire soit renforcé sans délai. Mes conseillers sont persuadés qu'il est du devoir du Canada d'offrir, dans les circonstances actuelles, une aide raisonnable et nécessaire à cette fin. Un projet de loi vous sera présenté, conformément à cette décision.

Un contrat pour la construction du chemin de fer de la Baie d'Hudson depuis LePas au Port Nelson a été conclu et les travaux se font avec toute la rapidité possible.

Il est de toute évidence que les grandes routes du Canada constituent une partie importante d'un système efficace de transport. L'urgence d'améliorer nos routes actuelles est manifeste et un projet de loi sera présenté à l'effet de permettre au gouvernement du Canada de coopérer avec les provinces à l'accomplissement de ce projet si désirable.

Je suis heureux de savoir que la proposition faite par mon gouvernement de coopérer avec les gouvernements des différentes provinces dans l'œuvre de promouvoir l'industrie agricole a été cordialement accueillie. Les crédits qui ont été votés à la dernière session relativement à ce service ont produit des résultats avantageux marqués pour le pays. Après une étude sérieuse de toute la question, mes conseillers en sont arrivés à la conclusion qu'une coopération avec les provinces sur des bases et des conditions bien définies produira les meilleurs résultats relativement à l'enseignement agricole. Pour être efficace une telle politique doit être continue. Un projet de loi vous sera donc présenté en vertu duquel un montant considérable d'argent pris du fonds des recettes consolidées, sera affecté à aider les provinces, durant plusieurs années, dans cette entreprise nationale de la plus haute importance.

Mon gouvernement a réussi à obtenir certaines diminutions dans les taux des cablogrammes et continuera ses efforts pour en obtenir de nouvelles.

En vertu de la loi actuelle, les chartes des banques prendront fin le premier juillet prochain. Un projet de loi à l'effet de reviser et de prolonger ces chartes sera soumis à votre étude et à votre approbation.

Plusieurs autres projets de loi vous seront soumis, parmi lesquels se trouveront des mesures pourvoyant à l'augmentation de la représentation au Sénat des provinces de l'Alberta, de la Saskatchewan et du Manitoba.

Messieurs de la Chambre des Communes :

Les comptes publics pour le dernier exercice fiscal vous seront soumis. Vous apprendrez avec satisfaction que les recettes ont été amplement suffisantes pour couvrir les dépenses ordinaires et celles au compte du capital.

Les estimations budgétaires pour le prochain exercice fiscal vous seront soumises prochainement. Elles ont été préparées au double point de vue de l'économie et du développement nécessaire des ressources du Canada.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

J'appelle votre sérieuse attention sur les sujets que je viens de mentionner et j'invoque les bénédictions de la Divine Providence sur vos délibérations.

PROCLAMATION.

GEORGE R. I.

CONSIDÉRANT que Nous sommes heureusement en paix avec tous les Souverains, Puissances et Etats : Et considérant qu'il existe malheureusement une guerre entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi des Bulgares ; entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi des Hellènes ; entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi du Montenegro ; et entre Sa Majesté impériale le Sultan de Turquie et Sa Majesté le Roi de Servie et entre leurs divers sujets et autres qui habitent leurs pays, territoires ou possessions ;

Et considérant que Nous sommes en termes d'amitié et de rapports amicaux avec chacun de ces Etats, et avec leurs divers sujets et autres habitants de leurs pays, territoires ou possessions ;

Et considérant que grand nombre de Nos loyaux sujets sont domiciliés et font le commerce, et possèdent des propriétés et des établissements et jouissent de droits et de privilèges dans les possessions de chacun des dits Etats, lesquels sont protégés par la loi des traités existant entre Nous et chacun des dits Etats ;

Et considérant que, désirant conserver à Nos sujets les bienfaits de la paix dont ils jouissent heureusement aujourd'hui, mais que Nous sommes fermement disposé et déterminé à maintenir une stricte et impartiale neutralité dans le dit état de guerre, malheureusement, existant entre les dits Etats ;

A ces causes, Nous avons cru devoir, sur l'avis de Notre Conseil Privé, promulguer Notre présente Proclamation Royale ;

Et Nous recommandons et chargeons strictement par la présente tous Nos bien-aimés sujets de se conduire en conséquence, et d'observer une stricte neutralité dans et pendant la dite guerre, et de s'abstenir de violer ou enfreindre les lois ou statuts du royaume à cet égard, ou le droit des gens à propos de cette guerre, car ils répondront du contraire à leur péril ;

Et considérant que, par un certain statut fait et passé durant une session tenue dans les 33e et 34e années du règne de feu Sa Majesté la reine Victoria, intitulé : "Acte pour régler la conduite des sujets de Sa Majesté durant les hostilités entre Etats étrangers avec lesquels Sa Majesté est en paix" il est entre autres choses déclaré et statué comme suit :—

"Le présent acte s'applique à toutes les possessions de Sa Majesté, y compris les eaux territoriales adjacentes.

> "Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende ou d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne étant sujet britannique, quitte, sans permis de Sa Majesté, ou se rend à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec l'intention d'accepter une commission ou engage-

ment dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami, ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à quitter, ou à se rendre à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec la même intention,—

" Toute telle personne sera coupable d'offense sous, le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

" Si une personne induit une autre personne à quitter les possessions de Sa Majesté ou à s'embarquer sur un navire dans les limites des possessions de Sa Majesté sur un faux rapport ou une fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention ou afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

" Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'un ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

" Si le capitaine ou propriétaire d'un navire, sans permis de Sa Majesté prend sciemment ou s'engage à prendre à son bord, dans les limites des possessions de Sa Majesté, une quelconque des personnes suivantes mentionnées dans le présent acte comme illégalement enrôlées, savoir :—

" (1.) Toute personne qui, étant sujet britannique, dans les limites des possessions de Sa Majesté, a, sans permis de Sa Majesté, accepté ou est convenue d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ;

" (2.) Toute personne, étant sujet britannique, qui, sans permis de Sa Majesté, se dispose à quitter les possessions de Sa Majesté avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

" (3.) Toute personne qui a été induite à s'embarquer sur un faux rapport ou une fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention et afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami.—

" (2.) Ce navire sera détenu jusqu'à jugement et condamnation ou acquittement du capitaine ou propriétaire et jusqu'à ce que toutes les peines infligées au capitaine ou propriétaire aient été payées, ou que le capitaine ou propriétaire ait donné caution pour le paiement de ces peines à la satisfaction de deux juges de paix, ou autre magistrat ou magistrats ayant l'autorité de deux juges de paix ; et

" (3.) Toutes personnes enrôlées illégalement seront mises à terre immédiatement après la constatation de l'offense et ne pourront retourner au navire.

Construction et expédition illégales de navires.

" Si une personne, dans les limites des possessions de Sa Majesté, sans permis de Sa Majesté, fait un des actes suivants, savoir :—

" (4.) Expédie ou fait ou autorise l'expédition d'un navire avec l'intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami—

" Toute telle personne sera réputée avoir commis une offense, sous le présent acte, et les conséquences suivantes en résulteront :—

" (1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

" (2.) Le navire sujet de l'offense commise, ainsi que son équipement, seront confisqués au profit de Sa Majesté ;

" Pourvu qu'une personne construisant, faisant construire ou équipant un navire dans l'un des cas mentionnés, aux termes d'un contrat passé avant le commencement de la guerre susdite, ne sera passible d'aucune des peines imposées par la présente section relativement à cette construction ou équipement, si elle satisfait aux conditions suivantes, savoir :—

" (1.) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat, qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat, et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

" (2.) Si elle donne telles cautions et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garanti que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

" Si un navire est construit par un Etat étranger ou par son ordre pendant que cet Etat étranger est en guerre avec un pouvoir ami, ou est livré à cet Etat ou à son ordre, ou à une personne qui, à la connaissance du constructeur, est agent pour le dit Etat étranger ou est payé par le dit Etat ou le dit agent, et est employé dans le service militaire ou maritime de cet Etat étranger, le navire, jusqu'à ce que le contraire soi prouvé, sera considéré comme ayant été construit pour être ainsi employé, et le constructeur du dit navir devra prouver qu'il ignorait que le navire était destin à être ainsi employé dans le service militaire ou maritime du dit Etat étranger.

" Si une personne, dans les limites des possessions d Sa Majesté, et sans permis de Sa Majesté ;

" En ajoutant au nombre des canons, ou en changeant ceux qui sont à bord pour d'autres canons, o en ajoutant aucun équipement de guerre, augmente accroît ou fait augmenter ou accroître, ou est sciemment concernée dans l'accroissement ou l'augmentation de la force militaire d'un navire qui, à l'époqu où il était dans les limites des possessions de Sa Majesté, était un navire au service militaire ou maritim d'un Etat étranger en guerre avec un pouvoir ami,—

" Toute telle personne sera coupable d'offense, sou le présent acte, et sera passible d'amende ou d'emprisonnement, ou de l'une ou l'autre de ces peine

à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

“ Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

“ Prépare ou organise une expédition navale ou militaire dirigée contre les possessions d'un pouvoir ami, les conséquences suivantes en résulteront :

“(1.) Toute personne engagée dans cette préparation ou organisation, y aidant, ou employée à titre quelconque dans cette expédition, sera coupable d'offense sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour par-devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

“(2.) Tous navires et leurs équipements, et toutes armes et munitions de guerre employées dans cette expédition ou en formant partie, seront confisqués au profit de Sa Majesté.

“ Toute persone qui aide, favorise, conseille ou cause l'accomplissement d'une offense, sous le présent acte, sera passible d'être jugée et punie comme auteur du délit.”

Et considérant que par le dit acte il est de plus statué que les navires construits, commissionnés, équipés ou expédiés en contravention au dit acte pourront être condamnés et confisqués par jugement de la Cour d'Amirauté ; et que si le Secrétaire d'Etat ou l'autorité exécutive sont convaincus qu'il y a cause raisonnable et probable de croire qu'un navire, dans les limites de Nos possessions a été construit ou est en voie de construction, commissionné ou équipé en contravention au dit acte, et qu'il doit être conduit en dehors des limites de ces possessions, ou qu'un navire est sur le point d'être expédié contrairement au dit acte, le dit Secrétaire d'Etat ou l'autorité exécutive auront le pouvoir d'émettre un mandat autorisant la saisie et la vente de ce navire et sa détention jusqu'à ce qu'il y ait eu légalement condamnation ou acquittement ; et considérant que certains pouvoirs de saisie et de détention sont conférés par le dit acte à certaines autorités locales ;

A ces causes, et afin qu'aucun de Nos sujets ne puisse se rendre passible à la légère des peines imposées par le dit statut, Nous commandons strictement par les présentes que nulle personne ou personnes quelconques ne commettent aucun acte ou ne fassent quoi que ce soit contrairement aux dispositions du dit statut, sous peine d'encourir les différentes peines imposées par le dit statut, et Notre grand déplaisir.

Et Nous avertissons et enjoignons de plus à tous Nos bien-aimés sujets, et à toutes les personnes quelconques qui ont droit à Notre protection, d'observer envers chacun des Etats susdits, leurs sujets et territoires, et envers tous les belligérants quelconques avec lesquels Nous sommes en paix, les devoirs de la neutralité, et de respecter, chez tous et chacun d'eux, l'exercice des droits de belligérants.

Et Nous avertissons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, que si quelqu'un d'entre eux se permet, au mépris de Notre présente Proclamation Royale, et à Notre grand déplaisir, de commettre quelques actes qui soient une dérogation à leurs devoirs comme sujets d'un souverain neutre dans une guerre entre d'autres Etats, ou une violation ou contravention du droit des gens à cet égard, toutes les personnes se rendant coupables de pareils actes, s'exposeront justement aux peines édictées par cette loi.

Et Nous donnons par le présent avis à tous Nos sujets et aux personnes qui ont droit à Notre protection qui pourront mal se conduire à cet égard, qu'ils e feront à leur péril et se mettront dans leur propre sort ; et qu'ils n'obtiendront aucune protection de Notre part contre les peines susdites.

Donné en Notre Cour au Château de Buckingham le vingt-unième jour d'octobre de l'année de Notre-Seigneur mil neuf cent douze et en la troisième année de Notre Règne.

DIEU PROTÈGE LE ROI.

LE Très honorable Sir Edward Grey aux Lords Commissaires de l'Amirauté :*—

FOREIGN OFFICE,
18 octobre 1912.

MILORDS,

Sa Majesté, étant fermement résolue d'observer les devoirs de la neutralité durant la guerre actuelle entre la Turquie et la Bulgarie ; la Turquie et la Grèce ; la Turquie et le Montenegro ; et la Turquie et la Serbie ; et voulant, de plus, empêcher, autant que possible l'usage des havres, ports et côtes de Sa Majesté, et des eaux situées dans la juridiction territoriale de Sa Majesté, pour aider aux opérations de l'un ou de l'autre des belligérants, m'a chargé de communiquer à Vos Seigneuries, pour vous servir de guide, les règlements qui suivent, lesquels devront être traités et mis à exécution comme étant les ordres et instructions de Sa Majesté :—

1. Tant que durera la guerre actuelle, il est défendu à tous les navires de guerre de l'un ou de l'autre des belligérants de se servir d'aucun port ou rade du Royaume-Uni, de l'Ile de Man ou des Iles de la Manche ou d'aucune des colonies ou possessions ou dépendances étrangères de Sa Majesté, ni d'aucune des eaux soumises à la juridiction territoriale de la Couronne britannique, comme station ou lieu de rendez-vous, pour aucune fin guerrière, ou dans le but de se procurer des moyens ou des équipements de guerre ; et aucun navire de guerre de l'un ou de l'autre des belligérants n'aura à l'avenir la permission de faire voile ou de partir d'un port, d'une rade, ou des eaux soumises à la juridiction britannique, d'où quelque navire de l'autre belligérant (que ce soit un navire de guerre ou un navire marchand) sera préalablement parti, avant qu'il ne se soit écoulé au moins vingt-quatre heures depuis le départ du navire en dernier lieu mentionné, hors de la juridiction territoriale de Sa Majesté.

Règle 2. Si quelque navire de guerre de l'un ou l'autre belligérant se trouve actuellement dans tout tel port, rade ou eaux soumis à la juridiction territoriale de la Couronne britannique, ce navire quittera ce port, rade ou eaux, dans un délai de pas moins de vingt-quatre heures qui sera raisonnable, eu égard à toutes les circonstances et la condition de ce navire quant aux réparations, provisions ou choses nécessaires à la subsistance de son équipage ; et si après la date de la présente quelque navire de guerre de l'un ou l'autre belligérant entre dans tout tel port, rade, ou eaux soumises à la juridiction territoriale de la couronne britannique, ce navire sera invité à en partir et à reprendre la mer dans les vingt-quatre heures de son entrée dans tel port, rade, ou eaux, sauf dans le cas de mauvais temps, ou s'il a besoin de ce procurer des provisions ou autres choses nécessaires pour la subsistance de son équipage, ou de subir des réparations, et dans ces cas les autorités du port, ou du port le plus rapproché, selon le cas, exigeront qu'il reprenne la mer la plus tôt possible après l'expiration de cette période de vingt-quatre heures, sans lui permettre de se ravitailler au delà de ce qui pourra être nécessaire pour ses besoins immédiats ; et nul tel vaisseau auquel il aura été permis de rester dans les eaux britanniques pour y subir des réparations ne restera dans ce port, cette rade, ou ces eaux pendant plus de vingt-quatre heures après que les réparations nécessaires auront été terminées. Pourvu, néanmoins, que dans tous les cas où il se trouverait quelque vaisseau (que ce soit un navire de guerre ou un navire marchand) des dites parties belligérantes dans le même port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, il ne s'écoulera pas un intervalle de moins de vingt-quatre heures entre le départ d'aucun tel vaisseau (que ce soit un navire de guerre ou un navire marchand) de l'un des belligérants, et le départ subséquent d'un navire de guerre de l'autre belligérant ; et le temps par le présent limité pour le départ de ces navires de guerre, respectivement, sera toujours, en cas de nécessité, prolongé autant qu'il sera necessaire pour donner effet au présent proviso, mais pas plus ni autrement.

---

* Semblables lettres au Trésor, Home Office, Bureau des Colonies, Bureau des Indes, Scottish Office, et la Chambre de Commerce.

Règle 3. Il ne sera permis à l'avenir à aucun navire de guerre de l'un ou l'autre des belligérants, tant qu'il sera dans un port, une rade, ou des eaux soumises à la juridiction territoriale de Sa Majesté, de se ravitailler, sauf de provisions et autres choses nécessaires à la subsistance de son équipage, et sauf de la quantité de charbon qui sera seulement nécessaire pour le conduire au port le plus rapproché de son propre pays, ou à quelque autre destination neutre plus rapprochée ; et il ne sera non plus fourni de charbon à aucun tel navire de guerre dans le même ou quelque autre port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, sans une permission spéciale, jusqu'à l'expiration de trois mois de la date à laquelle ce charbon lui aura été en dernier lieu fourni dans les eaux britanniques comme susdit.

Règle 4. Il est interdit aux navires armés de l'une ou l'autre partie d'amener les prises faites par eux dans les ports, havres, rades, ou eaux du Royaume-Uni, de l'Ile de Man, des Iles de la Manche, ou d'aucune des colonies ou possessions étrangères de Sa Majesté.

Le Gouverneur ou autre autorité exécutive de chacun des territoires ou possessions de Sa Majesté au delà des mers, publieront sans délai les règles ci-dessus.

J'ai l'honneur d'être, de Votre Altesse Royale,
le très humble et obéissant serviteur,

LOI DES ENROLEMENTS À L'ÉTRANGER, 1870.

AVIS AUX CONSTRUCTEURS DE NAVIRES ET AUTRES.

RELATIVEMENT à la guerre qui sévit actuellement entre la Turquie et la Grèce, la Bulgarie, la Servie, et le Montenegro, on attire l'attention des constructeurs de navires et autres sur les dispositions de la Loi des enrôlements à l'étranger 1870 (33 et 34 Vic., chap. 90) articles 8, 9, et 23, qui indiquent leurs devoirs et leurs obligations au sujet de la construction et l'équipement de navires qui sont destinés à servir, ou qui pourraient servir, dans le service militaire ou naval des belligérants.

L'article 8 établit que si une personne, dans les limites des possessions de Sa Majesté, construit, délivre, commissionne, équipe, ou expédie un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire sera employé dans le service militaire ou naval des belligérants, sera passible d'une amende et de l'emprissonnement, et de la confiscation du navire et de son équipement.

Toute personne qui construit ou équipe un tel navire aux termes d'un contrat passé avant le commencement de la guerre, ne sera passible d'aucune d'une pénalités imposées par le présent article :—

(1) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

(2) Si elle donne telles cautions, et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garantir que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

Dans le cas où des propositions seraient faites pour l'achat ou l'équipement de ces navires par des personnes qui ne déclareraient pas d'une manière satisfaisante la destination de ces navires, il sera du devoir de ceux qui auront connaissance de ces faits d'en donner avis au Secrétaire d'Etat pour l'Intérieur afin qu'il puisse prendre les mesures qui sont autorisées par l'article 23 du dit acte, de manière à empêcher que ces vaisseaux ne soient employés en contravention au dit acte.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 29 octobre 1912, que le bois de bouleau et de peuplier est en grande demande, pour le combustible et les fins de fabrication, dans le voisinage de la réserve de "Riding Mountain Forest," et qu'il a fait faire une inspection d'un massif de ces bois dans le quart nord-ouest de la section 36, township 19, rang 16, à l'ouest du méridien principal, et qu'il constate qu'il s'y trouve approximativement 660 cordes de bouleau et de peuplier dans un état de maturité trop avancé et sujets aux attaques d'un champignon, ce qui rend désirable leur utilisation prochaine.

Le Ministre représente qu'il a fait évaluer ce bois et que la valeur en est estimée à 25 cents la corde pour le peuplier, 50 cents la corde pour le bouleau et 75 cents la corde pour les billes de bouleau, la corde de ces billes mesurant 4 pieds par 5 pieds par 8 pieds.

Par conséquent le Ministre recommande qu'en vertu des dispositions de l'article 17 de la loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il soit autorisé, sujet aux règlements concernant les réserves forestières, à mettre en vente à l'enchère publique le bois du dit quart de section au prix de mise de 25 cents la corde pour le peuplier, 50 cents la corde pour le bouleau et 75 cents la corde pour les billes de bouleau, la corde de ces billes mesurant 4 pieds par 5 pieds par 8 pieds.

Le comité recommande que l'autorisation nécessaire soit accordée.

SON ALTESSE ROYALE EN CONSEIL.

ATTENDU que les syndic de l'église dite "Swedish Evangelical Lutheran Bethel Church", de Kelliher dans la province de la Saskatchewan, ont demandé la concession de 6.25 acres de terre situés dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, pour les fins d'un cimetière.

Et attendu que le terrain en question est disponible pour les fins susdites et que le Ministre de l'Intérieur est d'avis que la demande devrait être accordée ;

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'un cimetière 6.25 acres de terre compris dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, et d'en autoriser la concession aux syndics de l'église dite "Swedish Evangelical Lutheran Bethel Church", de Kelliher, dans la province de Saskatchewan, pour les fins susdites.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 6 novembre 1912, que demande a été faite de faire mettre en vente un terrain boisé situé dans le quart sud-ouest de le section 3 et le quart sud-est de la section fractionnaire 4, township 8, rang 30, à l'ouest du 3e méridien, et le quart sud-est de la section 1, township 8, rang 1, à l'ouest du 4e méridien, lequel terrain est compris dans la réserve forestière de Cypress Hills.

Le Ministre ajoute qu'il a fait faire un examen du terrain susdit et qu'il constate qu'il s'y trouve approximativement 218,000 pieds (mesure de planche) d'épinette, dont la valeur est estimée à $1.50 les mille pieds. Rapport a été fait au Ministre que le bois de service qu'on pourrait tirer de ce terrain est en grande demande parmi les colons établis dans le voisinage de cette réserve forestière et que l'abatage des vieux arbres favoriserait la croissance des jeunes arbres qui poussent en grand nombre sur cette réserve.

Par conséquent, le Ministre recommande qu'en vertu du paragraphe (*b*) de l'article 17 de la Loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il sait autorisé à vendre à l'enchère publique le bois qui croît sur ce terrain au prix de mise de $1.50 les mille pieds (mesure de planche) subordonnément aux règlements concernant les réserves forestières.

Le comité soumet cette recommandation pour approbation.

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU qu'un arrêté en conseil du 6e jour de juin 1912, basé sur les dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales*, a autorisé la concession au Synode du diocèse de Saskatchewan des subdivisions légales 5, 6, 11 et 12 de la section 2, township 51, rang 7, à l'ouest du 3e méridien, contenant 160 acres.

Et attendu que par malentendu le terrain ainsi concédé a été décrit comme ci-dessus ;

Et attendu qu'il a depuis été découvert, après arpentage, que le terrain susdit ne correspond pas à celui qui a réellement été concédé ;

Et attendu que le terrain en question, ainsi que délimité par l'arpentage, est disponible d'après les registres du Ministère de l'Intérieur,—

Par conséquent, il plaît au Gouverneur général en conseil de décréter que la description contenue dans l'arrêté en conseil du 6e jour de juin 1912 soit par ces présentes modifiée de la manière suivante :

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GENERAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 14 octobre 1912, que des représentations ont été faites au Ministère de l'Intérieur comportant qu'en conséquence de certaine erreur quant au titre de la section 11, township 9, rang 26, à l'ouest du 4e méridien, les autorités de la ville de Macleod ont érigé des bâtiments coûteux et établi un système d'approvisionnement d'eau sur la partie de la section 11, township 9, rang 26, à l'ouest du 4e méridien, avoisinant la ville.

Lorsqu'il fut avisé de ce fait le Ministère de l'Intérieur eut d'abord l'intention de céder la section 11 en question et de choisir à sa place pour le fonds des écoles une autre section ayant autant que possible la même valeur, et à cette fin une inspection fut faite des terres fédérales disponibles dans cette partie de la province.

Toutefois, il fut impossible de trouver une section ayant à peu près la même valeur que la section 11 qui, vu le fait qu'elle est voisine de la ville de Macleod, a une valeur considérable. La question de l'échange ayant été soumise au gouvernement d'Alberta, ce gouvernement protesta énergiquement contre la concession de la section scolaire, à moins qu'une autre section de valeur égale fut choisie pour le fonds des écoles, et il suggéra que ce qu'il y avait de mieux à faire était d'offrir des terres en vente à l'enchère publique afin de donner aux autorités de la ville de Macleod l'occasion d'acheter cette section.

Cette suggestion ayant été approuvée par le Ministre une inspection du terrain requis par la ville de Macleod fut faite par le surintendant des terres des écoles, qui évalua le terrain à $175 l'acre et fit rapport que cette ville y avait érigé des bâtiments consistant en une usine hydraulique et un édifice d'exposition, et qu'elle a de plus installé des tuyaux d'alimentation, des tuyaux de prise d'eau et des conduites de distribution d'une valeur totale d'environ $197,000.

Le Ministre ajoute qu'il est d'avis qu'il serait de l'intérêt public que l'occasion soit donnée à la ville de Macleod d'acheter le terrain nécessaire en rapport avec les bâtiments susdits et le système d'approvisionnement d'eau établi par la ville.

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique à une date prochaine, dans la ville de Macleod, les terrains requis par la ville, indiqués en rouge sur le plan annexé, au prix de mise de $175 l'acre, les conditions de la vente devant être conformes aux dispositions de la *Loi des terres fédérales* sous ce rapport.

Le comité soumet cette demande pour approbation.

Mardi, le 22e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 7 octobre 1912, que la compagnie dite "The Blue Mountains Refractories Company, Limited", de la ville de Vancouver, dans la province de la Colombie-Britannique, a demandé au Ministère de l'Intérieur la permission d'acheter la moitié ouest de la section 1, les sections 2 et 3 entières et les 55 chaînons de l'est de la moitié sud de la section 4, township 4, rang 4, à l'ouest du 7e méridien, dans la dite province, pour la fabrication de la brique et autres produits de l'argile. La compagnie demande aussi d'acheter le quart fractionnaire sud-ouest de la section 2, township 7, rang 26 à l'ouest du 6e méridien, couvrant une superficie de 144.75 acres, pour y construire un établissement de vernissage en rapport avec la fabrication des produits de l'argile ; aussi le droit de passage longeant et traversant les sections 32, 33 et 34, dans le township 3, rang 4, à l'ouest du 7e méridien, dans la dite province, conduisant à la rivière Lillooet, établissant une voie de communication entre cette rivière et le premier des terrains ci-dessus décrits.

Le Ministre représente qu'une inspection des terres demandées a été faite par l'agent des bois de la Couronne, à New Westminster, qui a fait rapport qu'elles contiennent très peu de bois de valeur marchande ; qu'il ne s'y trouve pas plus de bois qu'il est nécessaire pour les fins de l'industrie projetée ; et bien que les terres en question aient dans le passé été examinées par des prospecteurs forestiers, aucune demande de permis de coupe de bois n'a encore été faite. Il appert aussi que ces terrains sont très accidentés et de peu de valeur au point de vue agricole.

Les requérants ayant exprimé l'intention d'établir une industrie d'une certaine importance sur ces terrains, qui auraient autrement peu de valeur, le Ministre est d'avis qu'il serait de l'intérêt public d'accorder leur demande, et il demande l'autorisation de mettre en réserve pour les requérants les terrains qu'ils ont demandés et de les leur vendre pour les fins mentionnées au prix de $1.00 l'acre, pourvu qu'ils se conforment aux conditions suivantes :—

1. Les requérants construiront sur le premier des terrains ci-dessus décrits une briqueterie d'une production d'au moins 50,000 briques par semaine.

2. Cette briqueterie sera en fonctionnement et devra avoir produit au moins un million de briques dans la période de trois ans qui suivront la date de l'autorisation de la vente.

3. Dans les trois ans qui suivront la date de l'autorisation de la vente, les requérants construiront sur le quart fractionnaire sud-ouest de la section 2, township 7, rang 26, à l'ouest du 6e méridien, un établissement de vernissage d'une capacité et d'un modèle convenant aux fins proposées, à la satisfaction du Ministre de l'Intérieur, et commenceront l'exploitation de cet établissement dans la même période en y traitant les produit de l'argile.

4. Jusqu'à ce que les conditions ci-dessus aient été remplies et les lettres patentes des terrains en question accordées, les requérants rembourseront la Couronne de toute dépense qui pourra être encourue pour la protection du bois marchand dans le voisinage contre le danger d'incendie qui pourrait résulter de leur exploitation.

5. Dès que les requérants auront négligé de se conformer à une des conditions ici prévues la réserve des terres susdites cessera, la vente sera annulée et la Couronne confisquera les sommes qui auront été payées.

6. La mise en réserve et la vente seront subordonnées aux droits du gouvernement provincial de la Colombie-Britannique en ce qui concerne la découverte de minéraux dans ou sur ces terrains.

7. Dès que preuve satisfaisante aura été donnée que les conditions ci-dessus ont été parfaitement observées, que le prix d'achat de $1.00 l'acre a été payé et que le terrain a été arpenté les lettres patentes des terrains en

question seront accordées aux requérants, réserve étant faite des mines et minéraux, ainsi que de la houille qui pourraient être découverts dans ou sur ces terrains.

Le Ministre ajoute que les terrains ci-dessus décrits avaient été antérieurement concédés, à des conditions semblables à celles ici contenues, à un certain George H. Turner, par un arrêté en conseil daté le 27 mars 1908. M. Turner a payé au Ministère de l'Intérieur pour ces terrains la somme de $1.00 l'acre avant qu'il fut nécessaire de le faire d'après les dispositions du dit arrêté en conseil, et il demande au Ministère que le paiement qu'il a fait sur les terrains en question soit appliqué au compte du prix d'achat exigé des présents requérants.

En vue de ces faits, le Ministre demande aussi l'autorisation d'appliquer au paiement des terrains en question la somme payée par M. Turner à compte du prix d'achat.

Le comité soumet cette demande pour approbation.

HOTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 24e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 16 septembre 1912, que la compagnie dite " The Ashcroft Water, Electric and Improvement Company ", d'Ashcroft, C.-B., a demandé d'acheter aux conditions de vente des terres vendues pour l'irrigation certains terrains situés dans les townships 20 et 21, rang 24, à l'ouest du 6e méridien, couvrant une superficie totale de 3010.5 acres, plus ou moins, soit les terres énumérées dans le tableau annexé aux présentes et au rapport.

La compagnie a soumis au Département de l'Intérieur un vaste projet d'irrigation et d'endiguement, comprenant l'emmagasinage des eaux de trois lacs du territoire provincial, au nord de la zone des chemins de fer ; ces eaux seront déchargées dans la rivière Bonaparte et détournées à un point environ douze milles du confluent des rivières Bonaparte et Thompson, et transportées aux terres fédérales demandées par un canal d'élévation.

Les terres demandées ont été inspectées par l'agent des terres fédérales, à Kamloops, qui a fait rapport que sans irrigation, elles n'avaient aucune valeur ; elles ont aussi été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que ce sont des terres arides qui, sans irrigation, seraient impropres à la colonisation ou à l'agriculture. Le développement de ces terres serait très avantageux pour le district et le pays en général. La Ashcroft Water Electric & Improvement Company " a l'intention de développer ces terres arides par un vaste système d'irrigation moderne et pratique. Enfin, les eaux de la rivière Bonaparte semblent suffisantes pour les fins d'irrigation de la dite compagnie.

Par conséquent, le Ministre recommande qu'en vertu des rapports favorables précités il soit autorisé à vendre à la compagnie dite "The Ashcroft Water Electric & Improvement Company," aux conditions suivantes, les terres fédérales énumérées dans le tableau annexé :

1. Le prix du terrain sera de $1 l'acre. Un premier paiement de 25 cents sera fait lors de l'avis de vente, et la balance de 75 cents l'acre sera payable dès que seront terminés les travaux d'irrigation ainsi que prescrit par les articles " 5 " et " 6 " qui suivent.

2. La compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaire pour l'irrigation de ces terres.

3. L'emploi, la diversion et l'emmagasinage de l'eau ainsi que la construction et l'entretien des travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être conformes aux dispositions de la loi des exploitations hydrauliques de la Colombie-Britannique, 1909.

4. La compagnie construira, dans un délai de trois ans, à partir de la rivière Bonaparte, un système d'irrigation adéquat et satisfaisant pour les terres demandées.

5. Cinquante pour cent des parties irrigables des dites terres seront irriguées et mises en culture dans un délai de trois ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75c. l'acre.

6. Toutes les autres parties irrigables des dites terres seront irriguées et mises en culture dans un délai de cinq ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75 cents l'acre.

7. Les lettres patentes d'aucun de ces terrains ne seront accordées avant qu'ils aient été irrigués et mis en culture à la satisfaction du Ministre de l'Intérieur.

8. La part d'intérêt de la compagnie dans les dites terres fédérales ne pourra être transférée sans en aviser le Ministre de l'Intérieur et sans son consentement.

Le comité soumet cette recommandation pour approbation.

Jeudi, le 17e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil daté le 5 janvier 1887 certaines terres dans le voisinage de Port Moody, en raison de leur valeur croissante, ont été soustraites de la vente et de la colonisation, cette réserve étant décrite minutieusement comme suit :—

" Commençant au rivage du bras nord de Burrard-Inlet à l'angle nord-ouest de la section 30, township 39, district de New-Westminster ; de là vers le sud le long des lignes de section jusqu'au coin sud-ouest du quart nord-ouest de la section 19 ; de là vers l'est le long des lignes de quart de section jusqu'au coin nord-est du quart sud-ouest de la section 22 ; de là à angle droit vers le sud jusqu'à la borne nord du lot 385, groupe 1 ; de là vers l'ouest le long de la dite ligne jusqu'au coin nord-ouest du dit lot 385 ; de là vers le sud le long des lignes de lots jusqu'au coin nord-est du lot 238, groupe 1 ; de là vers l'ouest le long des lignes

de lots jusqu'au coin sud-ouest du lot 191, groupe 1; de là vers le nord le long du rivage du havre de Port Moody jusqu'au coin nord-ouest du lot 191; de là suivant les sinuosités du rivage de Port Moody, de Burrard Inlet et du bras nord, y compris la baie Bedwell, jusqu'au point du départ."

Et attendu que le 13 août 1906 l'inscription de homestead a été accordée à William Arthur Berlsford pour le quart fractionnaire nord-ouest de la section 10, township 39, à l'ouest du méridien de la côte, et que ce terrain fait partie de la réserve établie par le dit arrêté en conseil du 5 janvier 1887, et que ce colon s'est complètement acquitté des obligations d'établissement et a droit à ses lettres patentes;

Par conséquent, il plaît au Gouverner général en conseil, afin d'enlever tout doute quant au titre en raison de cet arrêté en conseil, de rescinder par ces présentes les dispositions du dit arrêté en conseil en tant qu'elles s'appliquent au quart de section ci-dessus mentionné.

PRÉSENT:

SON ALTESSE ROYALE EN CONSEIL

Le Ministre de l'Intérieur fait rapport, le 19 octobre 1912, qu'il est opportun de faire une enquête au sujet de l'accomplissement par M. W. H. Hutchinson des obligations de homestead en rapport avec son inscription pour les subdivisions légales 2, 7 et 8 de la section 7, township 49, rang 26, à l'ouest du 2e méridien, dans la province de Saskatchewan.

Par conséquent, le Ministre recommande que W. S. McKechnie, de Prince-Albert, dans la province de Saskatchewan, agent des terres fédérales, soit autorisé, en vertu des dispositions de la *Loi des terres fédérales*, paragraphe (*g*) de l'article 76 du chapitre 20, 7-8 Edouard VII, à s'enquérir de la dite question et, à cette fin, à citer devant lui par bref d'assignation toute personne qu'il juge à propos, et à l'examiner sous serment et l'obliger à présenter tous papiers et documents exigés à cette enquête.

Le comité soumet cette recommandation pour approbation.

RODOLPHE BOUDREAU,
18-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu qu'une formule de contrat de stage entre un arpenteur fédéral et son élève et une formule de transfert de ce contrat d'un arpenteur à un autre sont annexées à la *Loi des arpentages fédéraux*, 7-8 Edouard VII, chapitre 21;

Et attendu que le bureau des examinateurs des arpenteurs fédéraux fait rapport que ces formules sont trop longues, que le nombre des blancs à remplir donne lieu à des erreurs fréquentes et qu'il a rédigé des formules contenant moins de blancs;

Et attendu qu'il est aussi représenté par le bureau des examinateurs que les dites formules ne sont que pour les élèves mineurs, et que deux nouvelles formules sont nécessaires pour les élèves majeurs;

Et attendu que le ministre de l'Intérieur a présenté ces quatre formules et a recommandé qu'elles soient approuvées;

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 72 de la *Loi des terres fédérales*, ci-dessus mentionnée, d'approuver par ces présentes les dites quatre formules.

18-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu que demande a été faite, au nom des syndics de la Congrégation luthérienne évangélique de Saint-Marc, à Victor, dans la province d'Alberta, de la concession pour les fins d'une église et d'un cimetière d'un acre de terre compris dans le coin sud-est du quart nord-est et le coin nord-est du quart sud-est de la section 21, township 32, rang 17, à l'ouest du 4e méridien;

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande devrait être accordée, les colons inscrits pour les quarts de section ci-dessus mentionnés ayant consenti à ce que les terrains demandés en soient soustraits,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'une église et d'un cimetière un acre de terre compris dans le coin sud-est du quart nord-est et le coin nord-est du quart sud-est de la section 21, township 32, rang 17, à l'ouest du 4e méridien, et d'en autoriser la concession aux syndics de la Congrégation luthérienne évangélique de Saint-Marc, à Victor, dans la province d'Alberta, pour les fins susdites.

PRÉSENT:

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNERAL EN CONSEIL.

Le Ministre de l'Intérieur représente, le 29 octobre 1912, que M. A. E. Milburn a demandé d'acheter le lot n° 1, dans le bloc n° 3, d'après le plan de la subdivision de East Heights, à Athabasca Landing dans la province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain avant l'arpentage.

Il a été prouvé que le requérant a fait des améliorations considérables sur ce terrain et y a résidé pendant plus de deux ans.

Par conséquent, le Ministre demande l'autorisation de vendre à M. Milburn le dit lot, qui couvre un acre plus ou moins, au prix nominal de $5.

Le comité soumet cette demande pour approbation.

4. Les numéros enregistrés des instruments ainsi envoyés seront cités sur toutes les pièces justificatives et demandes, ces dernières étant soumises au principal officier de l'artillerie, si le remplacement est désiré.

5. Avant d'être envoyées soit par l'unité ou par l'officieur de l'artillerie, les instruments devront être soigneusement emballés dans leurs étuis de cuir, et ces étuis soigneusement enveloppés dans du papier, les dévidoirs et cordons, ou galons, navettes et cordons étant aussi enveloppés dans du papier, et le tout placé dans une

boîte de bois. La boîte sera bourrée d'étoupe, foin ou boules de papier mou. La boîte devra être marquée lisiblement "Glass with care," et contiendra une note d'emballage (Formule C. 617), énumérant les articles emballés, et l'unité à laquelle ils appartiennent, s'ils doivent être retournés plus tard à l'unité.

6. Lorsque l'instrument pour juger la portée en campagne est retourné pour une raison quelconque, un rapport de sa condition et de ses défauts dans le temps sera fait sur une feuille de papier-ministre et signé par l'officier commandant. Le rapport se composera de réponses aux questions dans la forme ci-dessous :—

Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'*acte général* ; les bills qui ne seront pas rédigés conformément à cette *règle*, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs *clauses*.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

* Similar letters to the Treasury, Home Office, Colonial Office, War Office, India Office, Scottish Office, and Board of Trade.

being, moreover, resolved to prevent, as far as possible, the use of His Majesty's harbours, ports, and coasts, and the waters within His Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commanded me to communicate to your Lordships, for your guidance, the following Rules, which are to be treated and enforced as His Majesty's orders and directions :—

Rule 1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of His Majesty's Colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station or place of resort for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment ; and no ship of war of either belligerent shall hereafter be permitted to leave any such port, roadstead, or waters from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of His Majesty.

Rule 2. If there is now in any such port, roadstead, or waters subject to the territorial jurisdiction of the British Crown any ship of war of either belligerent, such ship of war shall leave such port, roadstead, or waters within such time not less than twenty-four hours as shall be reasonable, having regard to all the circumstances and the condition of such ship as to repairs, provisions, or things necessary for the subsistence of her crew ; and if after the date hereof any ship of war of either belligerent shall enter any such port, roadstead, or waters, subject to the territorial jurisdiction of the British Crown, such ship shall depart and put to sea within twenty-four hours after her entrance into any such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs ; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use ; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessels (whether ships of war or merchant ships) of both the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of His Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether a ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent ; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

Rule 3. No ship of war of either belligerent shall hereafter be permitted, while in any such port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer named neutral destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

Rule 4. Armed ships of either belligerent are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of His Majesty's Colonies or possessions abroad.

The Governor or other chief authority of each of His Majesty's territories or possessions beyond the seas shall forthwith notify and publish the above Rules.

FOREIGN OFFICE,
October 29th, 1912.

HIS Majesty's Principal Secretary of State for Foreign Affairs has received, from His Majesty's Minister at Sofia, a telegram dated October 28th, to the following effect :—

The Port of Bourgas has been mined and is consequently closed to shipping for the present.

FOREIGN OFFICE,
October 31st, 1912.

His Majesty's Secretary of State for Foreign Affairs thinks it would be as well to state that the fact that a British Merchant vessel has been stopped, visited, or searched at sea by a warship of a belligerent Power is not of itself a matter of which the owner has a right to complain, or which would, unless in exceptional circumstances, justify diplomatic action by His Majesty's Government. It should also be understood that the Secretary of State cannot properly comply with requests of shipowners and others interested in cargoes consigned to ports within the theatre of war in the East, to demand the immediate release of vessels stopped and detained upon the high seas on the ground that they are carrying contraband of war, have been guilty of breach of blockade, or are rendering unneutral service to a belligerent. Vessels are detained in such cases in the exercise of belligerent rights, and if a vessel in such circumstances is diverted from her course and taken to a belligerent port, the matter is one to be investigated primarily by the Prize Courts of the captor. Diplomatic intervention can only properly be invoked if, after the final decision of the Prize Courts has been given, such finding appears to be so contrary to recognized principles of international law as to constitute a denial or failure of justice.

FOREIGN OFFICE,
November 1st, 1912.

His Majesty's Secretary of State for Foreign Affairs has received from His Majesty's Minister at Athens a translation of a Law published in the Greek Government *Gazette* of the 8th (22nd) ultimo, with regard to the transfer of merchant vessels to neutral flags in time of war.

The terms of the enactment are as follows :—

ARTICLE 1.

The change of flag of an enemy vessel for that of a neutral state when taking place after the commencement of hostilities is invalid, unless it be proved that the change did not take place as a means of avoiding the consequences entailed by the enemy character of the vessel.

Proof of absolute invalidity exists—

1. If the change took place during the voyage or whilst in a blockaded port ;
2. If the right of repurchase has been agreed upon.
3. If the conditions governing the right to the flag according to the legislation of the country whose flag is acquired have not been observed.

ARTICLE 2.

It is forbidden for Greek vessels during the war to change their flag for that of a neutral State without the permission of the Minister of Marine.

Violation of this provision is punished with imprisonment up to 6 months.

Article 3.

The operation of the present law commences on the publication thereof in the Government *Gazette.*

HIS Royal Highness the Governor General in Council is pleased to order as follows :—

The Order in Council of the 6th September, 1906, confirming By-law No. 114 of the Harbour Commission of Montreal, is hereby cancelled and the said by-law repealed.

[3187]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 8th November, 1912, that by an Order in Council dated the first of October, 1909, Mr. J. C. Maclure was permitted to purchase at the rate of $1.00 an acre the south-east quarter of Section 30, Township 19, east of the Coast Meridian, for brick manufacturing purposes, subject to the condition, however, that within three years from the date upon which the sale was authorized a plant, having a capacity of 5,000 bricks per week, should be erected on the property, and should have actually produced not less than 300,000 bricks.

The Minister states that evidence has been filed in the Department of the Interior to show that a plant having a capacity of 20,000 bricks per day has been erected in connection with this sale ; that over 1,000,000 bricks have been manufactured by such plant ; that it was found impossible, however, on account of the sheer, precipitous character of the quarter section to erect the plant on the said property, and that adjoining property had been leased upon which to erect the necessary plant and establish the brick and sewer pipe industry at a cost of $140,000.00.

As it would appear that the character of the land sold to Mr. Maclure was such as to preclude the possibility of erecting thereon the required plant, and as the conditions of the Order in Council of the first of October, 1909, have otherwise been very fully complied with, the Minister recommends that he be authorized to accept the erection of this plant on adjoining lands as compliance with the conditions of the sale.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
22–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 29th October, 1912, that there is considerable demand in the vicinity of the Riding Mountain Forest Reserve for the cutting of birch and poplar timber, for use as fuel and in manufactures, and that he has had an examination made of a suitable tract of such timber on the north-east quarter of Section 36, Township 19, Range 16, west of the Principal Meridian, and finds that there are approximately 660 cords of birch and poplar timber thereon, which is mature and in part affected by a fungus which makes its utilization in the near future desirable.

The Minister states that he has had a valuation made of the said timber, and the value is estimated to be 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Minister, therefore, recommends that, under the authority of section 17 of the Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to dispose, subject to the regulations relating to forest reserves, of the timber on the said quarter section by public tender at upset prices of 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Committee advise that the requisite authority be granted.

21-4 Clerk of the Privy Council.

HIS Royal Highness the Governor General in Council is pleased to order that the Order in Council of the 12th September, 1907, providing special Fishery Regulations for the Province of New Brunswick, shall be and the same is hereby amended by adding to Section 12 thereof, as clause (*h*) the following :

RODOLPHE BOUDREAU,
21-2 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 9th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 6th November, 1912, that an application has been made to have put up for sale a tract of timber located on the southwest quarter of Section 3 and the southeast quarter of fractional Section 4, Township 8, Range 30, west of the third Meridian, and the southeast quarter of Section 1, Township 8, Range 1, west of the fourth Meridian, which land is within the Cypress Hills Forest Reserve.

The Minister states that he has had an examination made of the said land and finds that there are approximately 218,000 feet board measure of spruce timber, which is estimated to have a value of $1.50 per thousand feet. It has been reported to the Minister that there is great demand from settlers in the vicinity of the forest reserve for the lumber which may be manufactured from this timber, and that the cutting of the most mature trees will benefit the young growing trees of which there are a large number.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said land by public competition at an upset price of $1.50 per thousand feet, board measure, subject to the regulations for Forest Reserves.

The Committee submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL

HIS Royal Highness the Governor General in Council is pleased to order as follows :

The Order in Council of the 14th October, 1912, establishing, under the 23rd section of chapter 24, of the Revised Statutes of Canada, 1906, "An Act respecting the Public Revenue and raising of loans authorized by Parliament and the Auditing of Public Accounts", Electrical Districts in connection with the administration of the "Electricity Inspection Act", 1907, is hereby amended by establishing and constituting, in addition to the Electrical Districts therein, the Province of Prince Edward Island as an Electrical District under the name of The District of Charlottetown.

RODOLPHE BOUDREAU,
21-3 Clerk of the Privy Council.

[3086]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 6th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 25th October, 1912, that an application has been made by the Brazeau Collieries, Limited, to have put up for sale two blocks of timber situated on the following described tracts of land in Township 40, Range 15, west of the 5th meridian ;

Block A—North half Section 6 ; Sections 7, 8, 17, 18, 19, 20 south half 29.

Block B—North half Sections 13 and 14 ; Sections 23, 24, 25 south half 26.

The Minister further submits that he has had an examination made of the said land and finds that there are approximately 4,500,000 feet board measure of timber suitable for manufacture into lumber, and 9,700,000 lineal feet of mine props, and that the stand of timber, including the trees of smaller diameter, is even aged at about 240 to 280 years, is over mature, and is being attacked by insects, so that it is deteriorating in value, and it is desirable that it be cut, in order that the young trees on the tract may develop. A valuation was made of the said timber, and it is estimated that the timber has a value of at least $1.50 per thousand feet board measure, and the cordwood of twenty-five cents per cord ;

That the district in which this tract of timber is located is one in which there are large deposits of coal which are now being developed and for which timber will be required ;

The Minister, therefore, recommends that under the authority of sub-section (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the above described tracts of land by public auction at an upset price of $1.50 per thousand feet board measure for timber, subject to the regulations relating to Forest Reserves, and subject to the following conditions and such others not inconsistent therewith as the Minister may consider necessary :—

(1) That the person to whom the tract is awarded shall immediately deposit in cash the sum of five hundred dollars as security for the execution of the license to be granted to him and the fulfilment of the conditions thereof, which sum shall be forfeited for failure to execute the license or to fulfil the conditions thereof and shall be applied in payment of dues on the completion of the contract, and shall also before the execution of the license furnish bonds for an additional sum of five hundred dollars as security for the fulfilment of the contract ;

(2) That the purchaser shall furnish returns quarterly or at such times as may be designated by the Minister of the operations on the tract and the dues on the timber cut shall become due on the date fixed for the submission of such returns ;

(3) That the dues for mining props shall be computed on the basis of one lineal foot of a mining prop being equivalent to one and two-thirds feet board measure. The dues for cordwood shall be twenty-five cents per cord.

(4) That no trees shall be out which are designated by the forest officer as being required to ensure the reproduction of the timber, the protection of the watershed or any other beneficial public service ;

(5) That the purchaser will take out all material that is merchantable from the timber cut, and shall not cause any unnecessary waste of timber ;

(6) That no unnecessary damage will be caused to the young growth or to any trees that are designated as not to be cut ;

(7) That the debris of logging operations will be piled and burned or otherwise disposed of in accordance with the instructions of the forest officer ;

(8) That the purchaser will take all necessary precautions to prevent the starting or spread of fire from his operations ;

(9) That for fighting fire in the vicinity of or threatening the tract, the purchaser will give free of charge the assistance of the men employed by him ;

(10) That the rights granted shall terminate at the expiration of eight years from the date of the sale of the tract.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
21-4 Clerk of the Privy Council.

Thursday, the 24th day of October, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS an application has been made by the trustees of the Swedish Evangelical Lutheran Bethel Church, of Kelliher, in the Province of Saskatchewan, for a grant of 6.25 acres of land comprised in the south-west corner of the S. ½ of Fractional Section 1, Township 27A, Range 13A, west of the 2nd Meridian, for cemetery purposes ;

And whereas the land in question is available for the purpose, and the Minister of the Interior is of opinion that the application should receive favourable consideration,—

Therefore the Governor General in Council, under the provisions of subsection (*d*) of section 76 of The Dominion Lands Act, is pleased to appropriate and set apart for cemetery purposes, 6.25 acres of land comprised in the south-west corner of the S. ½ of Fractional Section 1, Township 27A, Range 13A, west of the 2nd Meridian, and is further pleased to authorize and doth hereby authorile a grant thereof to the trustees of the Swedish Evangelical Lutheran Bethel Church, of Kelliher, in the Province of Saskatchewan, for the said purposes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that an application has been made to the Department of the Interior to have the timber on the east half of Section 33 and the west half of Section 34, Township 8, Range 4, west of the fifth Meridian, situated in the Rocky Mountains Forest Reserve, put up for sale and that he has had an examination made of the said land and finds that there are approximately 7,000,000 feet, board measure, of timber of which nearly two-thirds was killed by fire in 1910, and if left uncut for a much longer period, will become of little value.

The Minister states that he has had a valuation made of the said timber and it is estimated that the green timber, which is of very good quality, has a value of $2 per thousand feet board measure and that the dry timber, which had deteriorated considerably in value since the fire, has a value of $1 per thousand feet board measure.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said section by public competition at upset prices per thousand feet board measure of $2 for green timber and $1 for dry timber, subject to the regulations relating to Forest Reserves.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
21-4 Clerk of the Privy Council.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that a portable saw-mill permit was issued on the 11th of October, 1910, to Mr. G. R. Pelletier, giving him the right to cut timber on Berth 1711, which comprises the west ½ of Section 27 and the east half of Section 28, Township 8, Range 4, west of the Fifth Meridian, in the Crowsnest Division of the Rocky MountainsForet Reserve.

The Minister states that a renewal permit was issued extending the right to cut timber on this berth to the 11th of October, 1912, but no further renewal can be granted under the ordinary regulations. Mr. Pelletier has, however, applied for a renewal since there is a portion of the timber on the berth remaining uncut. Mr. Pelletier was unfortunate in having his mill destroyed by fire in January, so that his operations were considerably delayed. The timber on the berth is either fire-killed or over-mature, and it appears advisable that the cutting be allowed to continue.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said George R. Pelletier to cut timber on the said timber berth, No. 1711, subject to the payment of dues and to the restrictions for the conduct of the operations prescribed in connection with the original permit issued on the 11th of October, 1910, and also subject to the general regulations relating to forest reserves.

The Committee submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 4th November, 1912, that Mr. Leon Eauclaire has made application to acquire as a free grant 160 acres of land comprised in Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian title, and to purchase the excess area of 100 acres at the rate of $3.00 an acre.

That evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant of 160 acres of Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, be authorized to Mr. Eauclaire, and that he be permitted to purchase the excess area of 100 acres at the rate of $3.00 an acre.

[3078]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 14th October, 1912, it is represented to the Department of the Interior that, owing apparently to some mis-apprehension as to the title to Section 11, in Township 9, Range 26, West of the 4th Meridian, the authorities of the Town of Macleod have erected expensive buildings and established a Water System on the portion of Section 11, Township 9, Range 26 West of the 4th Meridian, adjoining that Town ;

That upon the Department of the Interior being informed of this, it was at first proposed to surrender Section 11 in question, and to select in lieu for the School Lands Endowment another section of as nearly as possible the same value, and an inspection was made for that purpose of the undisposed of and available Dominion Lands in that part of the Province ;

That it was impossible, however, to find a section of anything like the same value as Section 11, which, owing to the fact that it is adjacent to the Town of Macleod, has a considerable value, and upon the question of an exchange being submitted to the Government of Alberta, that Government entered a strong protest against the proposed surrender of the School Section being carried out unless another section of equal value could be selected in lieu of it for the School Lands Endowment, and suggested that the best course would be to offer this land at public auction so as to afford the authorities of Macleod an opportunity of acquiring it.

As the Minister concurs in this suggestion, an inspection was ordered of the land required by the Town of Macleod, such inspection being made by the superintendent of school lands, who valued the land at $175 per acre, and reported that the Town of Macleod has constructed on the land inspected by him buildings consisting of a power house and exhibition building, and has also established water standpipes, water intake pipes, and distributing water mains of a total value of approximately $197,000.

The Minister observes that he is of the opinion that it is in the public interest that the Town of Macleod should be given an opportunity of acquiring the land necessary in connection with the buildings and water system established by the Town.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction at an early date at the Town of Macleod the parcels of land required by the Town, and which are shown, coloured red, on the plan herewith, at an upset price of $175 per acre, the terms and conditions of sale to be in accordance with the provisions of The Dominion Lands Act in that regard.

The Committee submit the same for approval.

And whereas these lands have been examined by an officer of the Department of the Interior, and a report made to the effect that they are no longer required for the purpose for which they were set aside,—

Thereforefore the Governor General is pleased to order and it is hereby ordered, that the said lands be withdrawn from reserve.

RODOLPHE BOUDREAU,
19–4 Clerk of the Privy Council.

[2868]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 22nd day of October, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date the 7th October, 1912, states that application has been made to the Department of the Interior by the Blue Mountains Refractories Company, Limited, of the City of Vancouver in the Province of British Columbia, for permission to purchase the West half of Section 1, the whole of Sections 2 and 3 and the easterly fifty-five chains of the South half of Section 4, in Township 4, Range 4 west of the 7th Meridian, in the said Province, for the purpose of manufacturing brick and other products of clay ; also for permission to acquire the fractional South West quarter of Section 2, Township 7, Range 26 West of the 6th Meridian, containing an area of 144.75 acres, upon which to erect a glazing plant in connection with the manufacture of the clay products ; together with a right of way along and through Sections 32, 33 and 34, in Township 3, Range 4 West of the 7th Meridian, in the said Province, leading down to the Lillooet River, for the purpose of communication between that river and the tract first above described.

The Minister observes that an inspection of the lands applied for has been made by the Crown Timber Agent at New Westminster, who reported that they contain very little merchantable timber ; that such timber as there is on the land is not more than would be required to carry on the business which it is proposed to establish ; and that while the lands in question have in the past been examined by timber cruisers, no applications have been made for licenses to cut timber thereon. It would appear also that the lands are precipitous and of little value for agricultural purposes.

The Minister is of the opinion—as the applicants express their willingness to establish an industry of some magnitude on these lands, which would otherwise seem to be of little value—that it would be in the public interest to favourably consider such application, and he recommends that he be authorized to reserve for the applicants the lands for which they have applied and to dispose of the same to them for the purpose mentioned at the rate of $1.00 an acre, upon their complying with the following conditions :—

1. That the applicants shall erect upon the property first above described a plant of a capacity of at least fifty thousand bricks per week ;

2. That such plant shall be in operation, and shall have actually produced not less than one million bricks, within three years from the date upon which the sale may be authorized ;

3. The applicants shall, within three years from the date upon which the sale may be authorized, erect upon the fractional south-west quarter of Section 2, Township 7, range 26 west of the 6th Meridian, a glazing plant of a capacity and design suitable for the purpose and satisfactory to the Minister of the Interior, and shall commence actual operations in treating the clay products in such plant within the same period ;

4. That until the above conditions have been complied with, and the patent for the lands in question issued, the applicants shall pay to the Crown the cost which may be incurred in properly guarding the merchantable timber in the vicinity from fire which may result from their operations ;

5. That failure on the part of the applicants to comply with any of the conditions herein contained shall be followed by cancellation of the reservation and sale, and the forfeiture to the Crown of the amounts which may have been paid ;

6. That the reservation and sale shall be subject to the rights of the Provincial Government of British Columbia in respect of the minerals which may be found to exist on or under the land ;

7. That as soon as satisfactory evidence is furnished to show that the conditions herein contained have been fully complied with, the purchase price at the rate of $1.00 an acre paid, and the land surveyed, a patent be issued in favour of the applicants for the lands in question, reserving thereout and therefrom the mines and minerals and also the coal which may be found to exist on or under the land.

The Minister further states that the lands above described were previously allotted, under similar conditions to those herein contained, to one George H. Turner, by authority of an Order in Council dated the 27th of March, 1908 ; that Mr. Turner paid to the Department of the Interior the sum of $1.00 per acre for the said lands before it was necessary for him to do so in accordance with the terms of the above Order in Council, and that Mr. Turner has requested the Department to allow the payment made by him for the lands in question to be applied on account of the purchase price by the present applicants.

The Minister, in view of all the circumstances, further recommends that he be authorized to apply to the payment of the lands in question the amount paid by Mr. Turner on account of such purchase price.

The Committee submit the same for approval.

19-4 Clerk of the Privy Council.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

" Toute telle personne sera réputée avoir commis une offense, sous le présent acte, et les conséquences suivantes en résulteront :—

" (1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

" Pourvu qu'une personne construisant, faisant construire ou équipant un navire dans l'un des cas mentionnés, aux termes d'un contrat passé avant le commencement de la guerre susdite, ne sera passible d'aucune des peines imposées par la présente section relativement à cette construction ou équipement, si elle satisfait aux conditions suivantes, savoir :—

" (1.) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat, qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat, et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

" Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté ;

" En ajoutant au nombre des canons, ou en changeant ceux qui sont à bord pour d'autres canons, ou en ajoutant aucun équipement de guerre, augmente, accroît ou fait augmenter ou accroître, ou est sciemment concernée dans l'accroissement ou l'augmentation de la force militaire d'un navire qui, à l'époque où il était dans les limites des possessions de Sa Majesté, était un navire au service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

Et considérant que par le dit acte il est de plus statué que les navires construits, commissionnés, équipés ou expédiés en contravention au dit acte pourront être condamnés et confisqués par jugement de la Cour d'Amirauté ; et que si le Secrétaire d'Etat ou l'autorité exécutive sont convaincus qu'il y a cause raisonnable et probable de croire qu'un navire, dans les limites de Nos possessions a été construit ou est en voie de construction, commissionné ou équipé en contravention au dit acte, et qu'il doit être conduit en dehors des limites de ces possessions, ou qu'un navire est sur le point d'être expédié contrairement au dit acte, le dit Secrétaire d'Etat ou l'autorité exécutive auront le pouvoir d'émettre un mandat autorisant la saisie et la vente de ce navire et sa détention jusqu'à ce qu'il y ait eu légalement condamnation ou acquittement ; et considérant que certains pouvoirs de saisie et de détention sont conférés par le dit acte à certaines autorités locales ;

A ces causes, et afin qu'aucun de Nos sujets ne puisse se rendre passible à la légère des peines imposées par le dit statut, Nous commandons strictement par les présentes que nulle personne ou personnes quelconques ne commettent aucun acte ou ne fassent quoi que ce soit contrairement aux dispositions du dit statut, sous peine d'encourir les différentes peines imposées par le dit statut, et Notre grand déplaisir.

Et Nous avertissons et enjoignons de plus à tous Nos bien-aimés sujets, et à toutes les personnes quelconques qui ont droit à Notre protection, d'observer envers chacun des Etats susdits, leurs sujets et territoires, et envers tous les belligérants quelconques avec lesquels Nous sommes en paix, les devoirs de la neutralité, et de respecter, chez tous et chacun d'eux, l'exercice des droits de belligérants.

Et Nous avertissons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, que si quelqu'un d'entre eux se permet, au mépris de Notre présente Proclamation Royale, et à Notre grand déplaisir, de commettre quelques actes qui soient une dérogation à leurs devoirs comme sujets d'un souverain neutre dans une guerre entre d'autres Etats, ou une violation ou contravention du droit des gens à cet égard, toutes les personnes se rendant coupables de pareils actes, s'exposeront justement aux peines édictées par cette loi.

Et Nous donnons par le présent avis à tous Nos sujets et aux personnes qui ont droit à Notre protection qui pourront mal se conduire à cet égard, qu'ils le feront à leur péril et se mettront dans leur propre tort ; et qu'ils n'obtiendront aucune protection de Notre part contre les peines susdites.

Donné en Notre Cour au Château de Buckingham, le vingt-unième jour d'octobre de l'année de Notre-Seigneur mil neuf cent douze et en la troisième année de Notre Règne.

DIEU PROTÈGE LE ROI.

LE Très honorable Sir Edward Grey aux Lords Commissaires de l'Amirauté :*—

FOREIGN OFFICE,
18 octobre 1912.

MILORDS,

Sa Majesté, étant fermement résolue d'observer les devoirs de la neutralité durant la guerre actuelle entre la Turquie et la Bulgarie ; la Turquie et la Grèce ; la Turquie et le Montenegro ; et la Turquie et la Serbie ; et voulant, de plus, empêcher, autant que possible l'usage des havres, ports et côtes de Sa Majesté, et des eaux situées dans la juridiction territoriale de Sa Majesté, pour aider aux opérations de l'un ou de l'autre des belligérants, m'a chargé de communiquer à Vos Seigneuries, pour vous servir de guide, les règlements qui suivent, lesquels devront être traités et mis à exécution comme étant les ordres et instructions de Sa Majesté :—

1. Tant que durera la guerre actuelle, il est défendu à tous les navires de guerre de l'un ou de l'autre des belligérants de se servir d'aucun port ou rade du Royaume-Uni, de l'Ile de Man ou des Iles de la Manche ou d'aucune des colonies ou possessions ou dépendances étrangères de Sa Majesté, ni d'aucune des eaux soumises à la juridiction territoriale de la Couronne britannique, comme station ou lieu de rendez-vous, pour aucune fin guerrière, ou dans le but de se procurer des moyens ou des équipements de guerre ; et aucun navire de guerre de l'un ou de l'autre des belligérants n'aura à l'avenir la permission de faire voile ou de partir d'un port, d'une rade, ou des eaux soumises à la juridiction britannique, d'où quelque navire de l'autre belligérant (que ce soit un navire de guerre ou un navire marchand) sera préalablement parti, avant qu'il ne se soit écoulé au moins vingt-quatre heures depuis le départ du navire en dernier lieu mentionné, hors de la juridiction territoriale de Sa Majesté.

Règle 2. Si quelque navire de guerre de l'un ou l'autre belligérant se trouve actuellement dans tout tel port, rade ou eaux soumis à la juridiction territoriale de la Couronne britannique, ce navire quittera ce port, rade ou eaux, dans un délai de pas moins de vingt-quatre heures qui sera raisonnable, eu égard à toutes les circonstances et la condition de ce navire quant aux réparations, provisions ou choses nécessaires à la subsistance de son équipage ; et si après la date de la présente quelque navire de guerre de l'un ou l'autre belligérant entre dans tout tel port, rade, ou eaux soumises à la juridiction territoriale de la couronne britannique, ce navire sera invité à en partir et à reprendre la mer dans les vingt-quatre heures de son entrée dans tel port, rade, ou eaux, sauf dans le cas de mauvais temps, ou s'il a besoin de ce procurer des provisions ou autres choses nécessaires pour la subsistance de son équipage, ou de subir des réparations, et dans ces cas les autorités du port, ou du port le plus rapproché, selon le cas, exigeront qu'il reprenne la mer la plus tôt possible après l'expiration de cette période de vingt-quatre heures, sans lui permettre de se ravitailler au delà de ce qui pourra être nécessaire pour ses besoins immédiats ; et nul tel vaisseau auquel il aura été permis de rester dans les eaux britanniques pour y subir des réparations ne restera dans ce port, cette rade, ou ces eaux pendant plus de vingt-quatre heures après que les réparations nécessaires auront été terminées. Pourvu, néanmoins, que dans tous les cas où il se trouverait quelque vaisseau (que ce soit un navire de guerre ou un navire marchand) des dites parties belligérantes dans le même port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, il ne s'écoulera pas un intervalle de moins de vingt-quatre heures entre le départ d'aucun tel vaisseau (que ce soit un navire de guerre ou un navire marchand) de l'un des belligérants, et le départ subséquent d'un navire de guerre de l'autre belligérant ; et le temps par le présent limité pour le départ de ces navires de guerre, respectivement, sera toujours, en cas de nécessité, prolongé autant qu'il sera nécessaire pour donner effet au présent proviso, mais pas plus ni autrement.

---

* Semblables lettres au Trésor, Home Office, Bureau des Colonies, Bureau des Indes, Scottish Office, et la Chambre de Commerce.

Règle 3. Il ne sera permis à l'avenir à aucun navire de guerre de l'un ou l'autre des belligérants, tant qu'il sera dans un port, une rade, ou des eaux soumises à la juridiction territoriale de Sa Majesté, de se ravitailler, sauf de provisions et autres choses nécessaires à la subsistance de son équipage, et sauf de la quantité de charbon qui sera seulement nécessaire pour le conduire au port le plus rapproché de son propre pays, ou à quelque autre destination neutre plus rapprochée ; et il ne sera non plus fourni de charbon à aucun tel navire de guerre dans le même ou quelque autre port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, sans une permission spéciale, jusqu'à l'expiration de trois mois de la date à laquelle ce charbon lui aura été en dernier lieu fourni dans les eaux britanniques comme susdit.

Règle 4. Il est interdit aux navires armés de l'une ou l'autre partie d'amener les prises faites par eux dans les ports, havres, rades, ou eaux du Royaume-Uni, de l'Ile de Man, des Iles de la Manche, ou d'aucune des colonies ou possessions étrangères de Sa Majesté.

Le Gouverneur ou autre autorité exécutive de chacun des territoires ou possessions de Sa Majesté au delà des mers, publieront sans délai les règles ci-dessus.

J'ai, etc.,

FOREIGN OFFICE,
29 octobre 1912.

LE Principal Secrétaire d'Etat pour les Affaires Etrangères a reçu du Ministre de Sa Majesté à Sofia, un télégramme daté le 28 octobre à l'effet ci-dessous :—

> Le port de Bourgas a été miné et est en conséquence fermé à la navigation pour le présent.

FOREIGN OFFICE,
31 octobre 1912.

Le Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères est d'avis qu'il serait bon d'énoncer que le fait qu'un navire britannique a été arrêté, détenu ou visité en mer par un navire de guerre d'une puissance belligérante n'est pas de soi une chose dont le propriétaire a le droit de se plaindre, ou qui, à moins de circonstances exceptionnelles, justifierait une action diplomatique par le gouvernement de Sa Majesté. Il doit aussi être compris que le Secrétaire d'Etat ne peut, à proprement parler, faire droit aux demandes d'armateurs et autres intéressés dans des cargaisons consignées à des ports dans la zone du théâtre de la guerre dans l'Orient, de relâcher immédiatement les navires arrêtés et détenus sur la haute mer pour la raison qu'ils portent de la contrebande de guerre, qu'ils se sont rendus coupables d'un bris de blocus, ou qu'ils rendent un service non neutre à un belligérant. Dans ces cas, les vaisseaux sont détenus dans l'exercice des droits de belligérants, et si des vaisseaux dans ces circonstances sont détournés de leur marche et amenés à un port belligérant, la question doit d'abord être étudiée par les tribunaux des prises du capteur. L'intervention diplomatique ne peut être convenablement invoquée que si, après que la décision finale des tribunaux des prises a été rendue, ce jugement semble être si contraire aux principes reconnus de la loi internationale qu'il constitue un déni de justice.

FOREIGN OFFICE,
1er novembre 1912.

Le Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères a reçu du Ministre de Sa Majesté à Athènes la traduction d'une loi publiée dans la Gazette du Gouvernement grec du 8 (22) ult., concernant le transfert de navires marchands sous des pavillons neutres en temps de guerre.

Les termes de l'ordonnance sont comme suit :—

ARTICLE 1.

Le changement de pavillon d'un navire ennemi pour celui d'un navire neutre, lorsque la chose a lieu après le commencement des hostilités, est invalide, à moins qu'il ne soit prouvé que le changement n'a pas eu lieu comme un moyen d'éviter les conséquences encourues par le caractère ennemi du vaisseau.

Une preuve d'invalidité absolue existe—

1. Si le changement a lieu durant le voyage ou tandis qu'il est dans un port bloqué ;
2. Si le droit de rachat a été convenu ;
3. Si les conditions qui gouvernent le droit au pavillon, selon la législation du pays dont le pavillon est acquis, n'ont pas été observées.

ARTICLE 2.

Il est défendu aux navire grecs, durant la guerre, de changer leur pavillon pour celui d'un pays neutre sans la permission du Ministre de la Marine.

L'infraction de cette disposition est punie de l'emprisonnement jusqu'à 6 mois.

ARTICLE 3.

LE Ministre de l'Intérieur représente, le 8 novembre 1912, qu'un arrêté en conseil du 1er octobre 1909, permettait à M. J. C. Maclure d'acheter au prix de $1 l'acre le quart sud-est de la section 30, township 19, à l'est du méridien de la côte, pour la fabrication de la brique, mais sujet toutefois à la condition que dans le cours de trois ans de la date de l'autorisation de la vente il serait établi sur ce terrain une briqueterie pouvant fabriquer 5,000 briques par semaine et qu'il aurait, de fait, été fabriqué 300,000 briques au moins.

Le Ministre ajoute que la preuve a été soumise au Ministère de l'Intérieur qu'il avait été érigé sur le terrain ainsi vendu une briqueterie produisant 20,000 briques par jour et que plus de 1,000,000 de briques y ont été fabriquées. Toutefois, vu la nature escarpée de ce quart de section, il a été impossible d'y ériger une briqueterie, et une propriété voisine a été louée pour y installer l'outillage nécessaire et y établir l'industrie de la fabrication de la brique et des tuyaux d'égout au coût de $140,000.

Comme il appert que la nature du terrain vendu à M. Maclure est telle qu'elle rend impossible l'érection de la briqueterie, et comme les conditions de l'arrêté en conseil du 1er octobre 1909 ont, sous tous autres rapports, été remplies, lé Ministre demande l'autorisation d'accepter l'érection de cette briqueterie sur les terrains contigus comme satisfaisant aux conditions de la vente.

Le comité soumet cette demande pour approbation.

ATTENDU que les syndic de l'église dite "Swedish Evangelical Lutheran Bethel Church", de Kelliher dans la province de la Saskatchewan, ont demandé la concession de 6.25 acres de terre situés dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, pour les fins d'un cimetière.

Et attendu que le terrain en question est disponible pour les fins susdites et que le Ministre de l'Intérieur est d'avis que la demande devrait être accordée ;

LE Ministre de l'Intérieur représente, le 6 novembre 1912, que demande a été faite de faire mettre en vente un terrain boisé situé dans le quart sud-ouest de le section 3 et le quart sud-est de la section fractionnaire 4, township 8, rang 30, à l'ouest du 3e méridien, et le quart sud-est de la section 1, township 8, rang 1, à l'ouest du 4e méridien, lequel terrain est compris dans la réserve forestière de Cypress Hills.

Le Ministre ajoute qu'il a fait faire un examen du terrain susdit et qu'il constate qu'il s'y trouve approximativement 218,000 pieds (mesure de planche) d'épinette, dont la valeur est estimée à $1.50 les mille pieds. Rapport a été fait au Ministre que le bois de service qu'on pourrait tirer de ce terrain est en grande demande parmi les colons établis dans le voisinage de cette réserve forestière et que l'abatage des vieux arbres favoriserait la croissance des jeunes arbres qui poussent en grand nombre sur cette réserve.

Par conséquent, le Ministre recommande qu'en vertu du paragraphe (*b*) de l'article 17 de la Loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il sait autorisé à vendre à l'enchère publique le bois qui croît sur ce terrain au prix de mise de $1.50 les mille pieds (mesure de planche) subordonnément aux règlements concernant les réserves forestières.

Le comité soumet cette recommandation pour approbation.
